- Tax due when you file your **original return or an amended return** for any year.
- Tax due by the original return's due date if you are filing your return on **extension**.
- Tax **pre-payments**. (Oregon doesn't require pre-payments for fiduciary returns.) Tax payment is due by the original due date of your return.

- Oregon individual tax return. Instead, use Form 40-V, 150-101-172.
- Oregon estate transfer tax return. Instead, use Form OR706-V, 150-104-172.
