Authority and Purpose: The Immigration and Nationality Act, as amended, (8 U.S.C. 1103, 1183, 1226, 1229c, and 1363) authorizes the collection of this information to provide for the posting, maintenance, cancellation, and breach of an immigration surety bond, and for associated financial management activities. ICE needs to maintain current obligor address information so that it can communicate with the obligor, and make payments of interest and principal owed to the obligor.

Disclosure: Furnishing this information is voluntary; however, failure to provide it may result in your failure to receive communications from ICE pertinent to the immigration bond, and could also interfere with timely payments of interest and principal.

Routine Uses: This information will be used by and disclosed to DHS personnel and contractors or other agents who need the information to support the enforcement of immigration laws and the provision of immigration benefits. DHS may share this information with the U.S. Treasury Department to report interest paid to an obligor, and to facilitate payments to or collection of monies owed by an obligor. DHS may also share this information with the U.S. Justice Department and other Federal and State agencies for collection, enforcement, investigatory, or litigation purposes, or as otherwise authorized pursuant to its published Privacy Act system of records notice.
