WHERE TO SEND APPLICATIONS FOR INITIAL DESIGNATION (All Applicants Unless Otherwise Noted.)

Your completed application form with all attached sheets should be forwarded to:

Federal Aviation Administration
Pilot Examiner Standardization, AFS-642
ATTN: National Examiner Board
P.O. Box 25082
Oklahoma City, OK 73125-0082

Keep a copy of this application for your personal records.

WHAT HAPPENS TO YOUR APPLICATION

Your application will be evaluated by the National Examiner Board (NEB) to ensure that you meet the selection criteria for the designation sought. The NEB will advise you by letter whether or not you meet the applicable criteria. If you meet this criteria, the letter from the NEB will state that your application has been accepted and instruct you to complete the examiner predesignation knowledge test (i.e. PEA, PEB, PEG, and/or PER). If you do not meet the selection criteria, the NEB will advise you how the deficiency may be corrected. **Do not take the predesignation knowledge test until receiving a letter of acceptance from the NEB.**

Upon receiving notification that your application has been accepted, take the appropriate predesignation knowledge test at any FAA-approved computerized testing center. Request the pilot examiner test for the category applicable to the designation sought (Airplane, Rotorcraft, Glider, or Balloon). **You must** forward test results to the NEB within 10 days of the date you complete the test. **Keep a copy of the test report for your personal records.**

Upon receiving the applicant's test report and reviewing the application materials, the NEB will notify the applicant of approval/disapproval for assignment to the national examiner candidate pool. In accordance with candidates' indicated geographic availability, qualifications, and ranking within the pool, the NEB forwards candidate applications to each FSDO requesting a new designee.

Your application will be kept on file in the national examiner candidate pool for a period of 2 years or until you are selected for designation, whichever comes first.

After 2 years, applications of all candidates not selected for designation will be deleted from the pool. An applicant must repeat the application process in order to apply for reassignment to the candidate pool.
