

Employee Acknowledgment Of Receipt Of Training For Care, Maintenance And Use Of Personal Protection Equipment

I, _____, acknowledge receipt of training in the company's policy on care, maintenance and use of personal protection equipment. I understand the OSHA requirements and agree to wear personal protective equipment when needed. I understand that violations of using personal protective equipment when needed will result in disciplinary action being taken by the company.

I agree to care and maintain the equipment assigned to me. If I should need replacement or have any questions or problems with my personal protection equipment, I agree to notify my supervisor immediately.
