

Why information is needed and legal authority:

According to RCW 26.33.300, an Adoption Data Card (DSHS 10-114) must be completed and filed with the clerk of the court on behalf of the petitioner for each individual adopted. Under the federal requirements of the Adoption and Foster Care Analysis and Reporting System (AFCARS), the State must report on all adoptions which occurred since October 1, 1994, and in whose adoption Title IV-B/IV-C agency has had any involvement. AFCARS reports on all other adoptions are encouraged but are voluntary. Reports on the following adoptions are mandated:

- a. All children adopted who had been in foster care under the responsibility and care of the Department of Social and Health Services (DSHS) and who were subsequently adopted whether special needs or not and whether subsidies are provided or not.
- b. All special needs children who were adopted in the State of Washington, whether or not they were in the public foster care system prior to their adoption and for whom non-recurring expenses were reimbursed.
- c. All children adopted for whom an adoption assistance payment or service is being provided based on arrangements made by or through DSHS.
