2 THE POWER OF A HEALTHY SMILE.

Your dental health is vital to your overall health. Healthy teeth and gums allow you to eat better and feel better—physically and mentally. And nothing engages the people around you like a bright smile.

Prevention and treatment of dental problems are important at any stage of life. You may experience more tooth sensitivity or have dental problems as a result of certain medications or health conditions. Regular oral exams not only keep your mouth healthy, they can also help identify medical problems.

Advantage Plus makes it easy to get the dental care you need. Enjoy the power of a healthy smile.

Health Tip:

REDUCE YOUR RISK OF INFECTION.

Brushing and flossing are not only important for healthy teeth, they can also help reduce the risk of infection. Good oral hygiene is especially important for anyone facing surgery for hip or knee replacement. Bacteria can travel from the mouth to other parts of the body, causing infection—a major cause of failure in joint replacements.

FREQUENTLY ASKED QUESTIONS

Advantage Plus dental benefits are provided through the DeltaCare® USA Dental HMO Program offered by Delta Dental of California.

Q: What is the DeltaCare USA Dental HMO Program?

A: The DeltaCare USA Dental HMO Program, offered by Delta Dental, provides comprehensive dental care through a convenient network of dentists. These contract dentists are screened to ensure that Delta Dental's standards of quality, access, and safety are maintained. The network of dental facilities is composed of established dental practices. When you visit your assigned contract dentist, you pay only the applicable copayment for covered benefits (see Chapter 4 in your Senior Advantage *Evidence of Coverage*). There are no deductibles, no lifetime maximums, and virtually no claim forms under this dental program.

Q: When can I begin to use my dental benefits?

A: Once you receive confirmation of your enrollment in Advantage Plus, you can begin using your dental benefits on your effective date. You will also receive a dental identification card from Delta Dental.

Q: How do I choose my dentist?

A: When enrolling in Advantage Plus, you may select a DeltaCare USA contract dentist from the list of DeltaCare USA contract dentists. You must indicate the contract dentist's name and contract dentist facility ID# on the enrollment form. If you don't select a contract dentist or the contract dentist selected becomes unavailable, Delta Dental will ask you to select another contract dentist or assign you to a contract dentist based on your residence ZIP code. For a list of contract dentists, see **page 16**. Delta Dental is always expanding its network and adding new dentists and areas. For the most up-to-date list of dentists, visit deltadentalins.com/directory.

Note: It can take a few weeks for the contract dentist you selected to be activated in Delta Dental's system. If you would like to see your dentist within the first few weeks of your enrollment in Advantage Plus, you should call Delta Dental to confirm that your selected dentist is in their system and accepting patients. For questions about your dentist, call Delta Dental's Customer Service Department toll free at **1-877-644-1774 (TTY 1-800-735-2929)**, Monday through Friday, 5 a.m. to 6 p.m.

Q: How do I make an appointment?

A: To make an appointment, simply call your contract dentist's facility and identify yourself as a DeltaCare USA enrollee. Inquiries regarding availability of appointments and accessibility of dentists should be directed to Delta Dental's Customer Service Department toll free at **1-877-644-1774 (TTY 1-800-735-2929)**, Monday through Friday, 5 a.m. to 6 p.m.

You must go to your assigned contract dentist to obtain covered services, except for services provided by a specialist preauthorized by Delta Dental, or for emergency services. Any other treatment is not covered under this dental program.

Q: What happens if I have an emergency?

A: If emergency services are needed, you should get in touch with your contract dentist whenever possible. If you are a new member and do not have an assigned contract dentist yet, and you need emergency services, you should contact Delta Dental's Customer Service Department toll free at **1-877-644-1774 (TTY 1-800-735-2929)**, Monday through Friday, 5 a.m. to 6 p.m., for help in locating a contract dentist. For additional information about emergency benefits, see your Senior Advantage *Evidence of Coverage*.

Q: Can I get a second opinion?

A: You may request a second opinion if you disagree with or question the diagnosis and/or treatment plan determination made by your contract dentist. Delta Dental may also request that you obtain a second opinion to verify the necessity and appropriateness of dental treatment or the application of benefits. For more information, see your Senior Advantage *Evidence of Coverage*.

Q: What if I need to change my contract dentist?

A: You may change your assigned contract dentist at any time by directing a request to Delta Dental's Customer Service Department toll free at **1-877-644-1774** (TTY **1-800-735-2929**), Monday through Friday, 5 a.m. to 6 p.m.; however, changes in contract dentists must be requested prior to the 21st of the month to be effective the first day of the following month.

All treatment in progress, such as (a) partial or full dentures for which final impressions have been taken, (b) completion of root canals, or (c) delivery of crowns when teeth have been prepared, must be completed prior to a change in the contract dental facility assignment.

3 HEAR WELL. LIVE WELL.

Good hearing allows you to participate in life more fully. You're more confident, more secure, and more connected to your world.

Millions of Americans experience some degree of hearing loss. Among people over 50, it's the third most common ailment, behind heart disease and arthritis. But now, more than ever, hearing loss doesn't mean that your quality of life has to change. Today's hearing products are smaller, more effective, and more comfortable.

Hearing benefits from Advantage Plus can help make sure you're not missing the sounds and conversations that make life more fulfilling.

Health Tip:

QUICK HEARING SELF-CHECK.

Be sure to have your hearing checked by a plan provider. In the meantime, use these questions for a simple self-check of your hearing health:

- Do you often ask people to speak up or repeat themselves?
- Do you have trouble following conversations in a noisy room or understanding speech on the phone?
- Do you have trouble hearing the sound of your telephone, alarm clock, or doorbell?
- Do others complain that your TV or stereo is too loud?

FREQUENTLY ASKED QUESTIONS

The hearing aids that Advantage Plus covers are provided at 18 Kaiser Permanente Hearing Centers in Northern California. Each center offers professional hearing aid services, products, and accessories.

Q: What hearing tests are covered?

A: Your current Kaiser Permanente Senior Advantage plan covers hearing tests that determine the need for hearing correction or to diagnose a suspected hearing problem. Diagnostic audiology tests are provided at the office visit copayment as described in your Senior Advantage *Evidence of Coverage*. If you suspect you have hearing loss, call the Kaiser Permanente Audiology Department. You will be charged an office visit copayment if the Kaiser Permanente Audiology Department provides you with a diagnostic hearing evaluation.

Advantage Plus covers hearing aid evaluations that determine the appropriate hearing aid and verify that the aid matches the prescription—at no charge. Kaiser Permanente Hearing Centers will also test your hearing aids to ensure that they are working properly—at no charge.

Q: If I have hearing loss, are hearing aids covered?

A: As a Kaiser Permanente member with the Advantage Plus package, you will receive a \$350 credit toward the purchase of a hearing aid in each ear (maximum \$700 for both ears). This credit is available once every three years. You will be responsible for the difference between the \$350 credit and the price of the hearing aid.

Q: Where can I obtain my hearing aids?

A: You may use your hearing aid benefit at any of the Kaiser Permanente Hearing Centers throughout Northern California. Locations are listed on the next page.

Q: Are referrals or special claim forms required to use my hearing aid benefit?

A: No referrals or claim forms are required for hearing tests or hearing aids.

Q: Are there any limitations to the type or style of hearing aid that is covered?

A: You may purchase your hearing aid at one of our Kaiser Permanente Hearing Centers. The audiologist will assist you in selecting the hearing aids that best meet your needs. A complete range of technologies and styles is available, and you will receive a thorough explanation of your test results and recommended treatment options.

Q: What if I have a medical problem with my hearing?

A: If a medical problem is identified during the hearing examination, the Kaiser Permanente Hearing Center audiologist will notify your primary care physician of the results, and assist you in obtaining the appropriate medical follow-up.

Q: What if I need service or repairs on my hearing aid?

A: If you purchased your hearing aid at a Kaiser Permanente Hearing Center, you have up to a three-year manufacturer's warranty, as well as a one-year loss and damage warranty. After purchasing your hearing aid from a Kaiser Permanente Hearing Center, you may bring it in for repairs and servicing at any of our Northern California locations. Batteries and accessories are not covered under this hearing aid benefit. Contact your local Hearing Center for more details.

4 FOCUS ON A HEALTHIER YOU.

Here's an immediate way to enhance your life: improve your vision. It's possible that your vision has changed—but you haven't noticed. An eye exam can show you what you've been missing. When you see clearly, daily activities such as driving and reading become noticeably easier.

It's important to have your eyes checked regularly to identify minor as well as more serious eye problems. Advantage Plus adds to your Senior Advantage vision benefits, giving you more to spend on your glasses or contacts. So you'll have more choices to help you see a brighter, more vibrant world.

Health Tip:

BETTER NIGHT VISION.

If your night vision isn't what it used to be, keep these helpful nighttime-driving guidelines in mind:

- Drive more slowly, so that you have more time to react.
- Keep your windshield, as well as all the lights on your car, clean.
- Ask your eye care professional about getting anti-reflective coating on your eyeglass lenses to cut down on glare.
- Check with your doctor to find out if any medications you are taking can affect your night vision.

FREQUENTLY ASKED QUESTIONS

The vision benefits covered by Advantage Plus are provided through Vision Essentials by Kaiser Permanente, located at most Kaiser Permanente medical offices. You can usually get your eye exam and fill your prescription for eyeglasses right in the same location. For information about vision services (including limitations and exclusions) covered by Senior Advantage and Advantage Plus, see Chapter 4 in your Senior Advantage *Evidence of Coverage*.

Q: What is my coverage for eyeglasses and contact lenses?

A: As a Kaiser Permanente member with the Advantage Plus package, you will receive an additional credit of \$240 to use toward the purchase of eyeglasses or contact lenses. This benefit is in addition to the standard credit available to Senior Advantage members (see your Senior Advantage *Evidence of Coverage*). The total credit is for a single eyewear purchase every two years. If you do not use the entire credit at the initial point of sale, you cannot use it later. If the eyewear you purchase costs more than the entire credit, you will be responsible for paying the difference.

Q: After I first use my Advantage Plus vision benefit, when can I use it again?

A: You are eligible to use your Advantage Plus vision benefit two years from the date that you last obtained your eyeglasses or contact lenses using this benefit.

Q: Where can I obtain my eyeglasses and contact lenses?

A: You may use your vision benefit at any Vision Essentials by Kaiser Permanente location, many of which are conveniently located in Kaiser Permanente's medical offices. To find a location near you, call toll free **1-800-443-0815** (TTY **1-800-777-1370**), seven days a week, 8 a.m. to 8 p.m. You can also visit our website at **kp.org/2020**, where you'll find information about promotions for even more savings.

Q: What does Vision Essentials by Kaiser Permanente offer?

A: When it comes to your eyes and eyewear, we want you to be completely delighted with your selection, so we offer the following:

- Satisfaction guarantee. You can exchange or return your prescription eyeglasses for a complete refund within 30 days from the date of delivery.
- Prescription guarantee. Doctor-approved prescription changes can be made at no charge within 90 days from the date of delivery.
- Price guarantee. If you find a lower price on one of our regularly stocked frames, we'll match it. (Excludes Internet offers.)
