Living and Working Abroad Form

Fo	For LTPH use only												

If you have stated on your application form that you have lived in a country other than the UK for one or more continuous periods of 3 months or more **within the last 3 years**, please provide the following information in the section(s) on the reverse of this form:

- The date that the period of living and working abroad began and ended
- The full address (in as full a format as possible) where you were living
- The name of your employer (if applicable)
- The employers telephone number (if available)
- Details of any convictions gained as a result of offences committed during this period
- Do not include periods of extended holiday/vacation.

PLEASE NOTE: Those applicants who complete form TPH/205, confirming that they have lived in a country other than the UK for one or more periods of three months or more, within the last three years, will be required to produce a Certificate of Good Conduct issued by the relevant non-UK country. A 'Certificate of Good Conduct' is an extract from the judicial record or an equivalent document issued by a competent judicial or administrative authority in the relevant country.

In order to obtain a Certificate of Good Conduct and for up to date information on any costs involved, you should contact the Embassy or High Commission of the country in question.

A translation will be required if it is not provided in English.

Failure to provide a certificate may prevent an application being considered. Failure to provide such information, without good reason, will be taken into account when a decision is made. Transport for London (TfL) will consider each individual case on its own merits, having regard to the need to protect the safety of the travelling public and whether the applicant has demonstrated that they are a 'fit and proper' person to hold a licence.
