ARRL VEC FORM 605-C INSTRUCTIONS

Use this form to apply for a new **CLUB STATION** license or **MILITARY RECREATION STATION LICENSE**, or modify an existing **CLUB STATION** license or **MILITARY RECREATION STATION LICENSE**, through the services of one of the three FCC-approved Club Station Call Sign Administrators (CSCSA's). To be issued a **CLUB STATION** license, a club must be composed of at least four persons, have a name, a document of organization and management, and a primary purpose devoted to amateur service activities; consistent with Section 97.5(b)(2) of the FCC Rules.

PLEASE NOTE: An amateur can only be the trustee of **one** valid club station. A trustee may continue to serve the clubs that they are currently trustee of but may not be designated the trustee of any additional clubs after February 13, 2011. A club station may not hold more than one valid vanity call sign.

- Use a typewriter or print clearly in ink.
- Complete all applicable fields on this form - telephone numbers, fax number and e-mail addresses are optional, but supplying this information is recommended.
- For modifications and renewals, if available, attach a copy of the current station license.
- The application must be **signed in ink** by **two different** individuals, and then sent by mail/courier (not faxed) to a CSCSA.
- Vanity License Renewals require a FCC Regulatory Fee. Along with this form, submit a check made payable to ARRL VEC. Club licenses listed with Radio Service code "HV" in the FCC database (<http://wireless.fcc.gov/uls/>) are Vanity Licenses and must pay the mandatory FCC fee. License changes and non-vanity license renewals are free. ARRL cannot process applications for NEW Vanity Call Signs. View the current fee schedule at <http://www.arrl.org/arrlvec/vanityfee.html> .
