

# A BASIC FAMILY TREE

Sometimes it's only when we try to write down what we know that we realize how much we *don't* know. Fill out as much as you can. Starting out, even a guess helps. Genealogy assistance is available at the John Parker Library from 11:00 a.m. to 4:00 p.m. Tuesday through Saturday. You can learn more at [www.FamilySearch.org](http://www.FamilySearch.org).
