If you have employed one or more individuals, other than domestic servants, for a salary, wage, commission, or other compensation, you must file a return for the first quarter in which you are required to withhold the Earned Income Tax from earnings, and each quarter thereafter.

If you have no employees for a tax period, a return must be filed indicating "no employees" for that quarter. All Pennsylvania based employers are required to withhold the tax based on the higher rate of either the employee's resident tax rate or employer's non-resident tax rate.

QUARTERLY RETURNS AND DUE DATES: A return must be filed for each quarter of the calendar year on the dates listed below unless the date falls on a Saturday or Sunday then the due date becomes the next business day.

1st quarter: January, February, MarchDue on	or Before	April 30

3rd quarter: July, August, September Due on	or Before	October 31
