Please describe in as much detail as possible how you would spend Blue Jean Friday funds.

During what month of the year would Blue Jean Friday funding be most helpful to your organization?

Please identify your organization's board of directors or leaders.

Return this application form with the following attachments, if they are available:
Marketing plan, annual budget, publicity clippings

Details about Blue Jean Friday

Launched in 1994, Blue Jean Friday unites the community in support of many worthwhile programs. Every month, employees across the Gallatin valley pay \$2 on the first Friday of the month for the right to wear blue jeans to work. Money collected from participants is then given to the designated monthly recipient.

The Blue Jean Friday committee, which consists of representative from the sponsoring companies, reviews all sponsorship requests to determine whether the request would further the Blue Jean Friday mission: To assist Gallatin County organizations or programs that enhance the quality of life in the region and address specific community needs.

Blue Jean Friday guidelines:

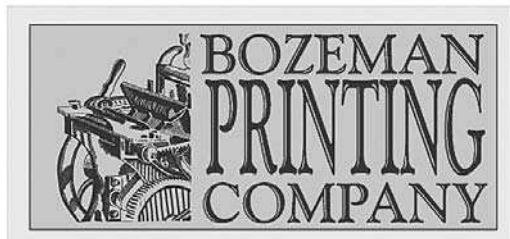

There will be one deadline annually to apply for Blue Jean Friday funds—generally in October. A letter will notify all applicants of whether they have been chosen to receive funding.

Recipients of Blue Jean Friday funds must wait two years after funding is received to apply for funding again.

I have read the sponsorship guidelines.
