### Your consent to obtain a medical report

#### IMPORTANT INFORMATION

Please read this section carefully, as it sets out your rights under the Access to Medical Reports Act 1988 and the Access to Personal Files and Medical Reports (NI) Order 1991.

In order to process your claim, we may need to apply for a medical report from any doctor who has attended you. To apply, we need you to give your consent by signing the declaration below.

You can choose from three courses of action:

- 1. You can give your consent without asking to see the doctor's report before it is sent to us. The report will then be sent directly to us by the doctor.
- 2. You can give your consent, but ask to see any report before it is sent to us, in which case you will have 21 days, after we notify you that we have requested a report from the doctor, to contact your doctor to make arrangements to see the report. If you fail to contact the doctor within 21 days, he will be entitled to send the report direct to us. If however you contact your doctor with a view to seeing the report, you must give the doctor written consent before he can release it to us. You may ask your doctor to change the report if you think it is misleading. If your doctor refuses, you can insist on adding your own comment to the report before it is sent to us.

Should you give your consent to us obtaining a report without indicating that you wish to see it, you can change your mind by contacting your doctor before the report is sent to us, in which case you will have the opportunity to see the report and ask the doctor to change the report or add your comments before it is sent to us, or withhold your consent for its release.

3. You can withhold your consent but, if you do, please bear in mind that we may be unable to accept your claim

Whether or not you indicate that you wish to see the report before it is sent, you have the right to ask your doctor to let you see a copy, provided that you ask him within six months of the report having been supplied to us.

Your doctor is entitled to withhold some or all of the information contained in the report if (a) he feels that it may be harmful to you or (b) it would indicate his intentions in respect of you or (c) would reveal the identity of another person without their consent (other than that provided by a health professional in their professional capacity in relation to your care). Your doctor may also make a reasonable charge for his services.

The undersigned authorises and requests any hospital, specialist, physician or other health provider to furnish Bupa or its duly authorised agent acting on Bupa's behalf with such information as Bupa or that agent may seek from them in connection with any treatment or other services provided to me or my dependant for the purpose of Bupa considering this claim.

I have been advised of my rights under the Access to Medical Reports Act 1988 and the Access to Personal Files and Medical Reports (NI) Order 1991

I do (not)\* wish to see a copy of any medical report before it is sent to Bupa. (\*Delete the word NOT if you wish to see a copy of the medical report before it is sent to Bupa).
