# Application for Extension

## Franchise and Corporate Income Tax

North Carolina Department of Revenue

### **GENERAL INSTRUCTIONS**

North Carolina law provides for an extension of time to file a North Carolina C Corporation Tax Return (CD-405) or S Corporation Tax Return (CD-401S). To obtain an extension, a taxpayer must complete this application and file the completed form by the original due date of the corporate tax return. When timely filed, Form CD-419 extends the due date of the return by 6 months. An extension of time to file the return does not extend the time to pay the amount of tax due. If you do not pay the full amount of tax due by the original due date of the return, interest and penalties will be assessed. North Carolina does not accept the federal extension in lieu of Form CD-419. (Note: For North Carolina tax purposes, an income year that ends on any day other than the last day of the month is considered to end on the last day of the month nearest to the last day of the actual income year.)

Corporations have the option of filing the Annual Report, Form CD-479, either in paper form with the Department of Revenue or in electronic form online with the Secretary of State. If the corporation elects to file the Annual Report in paper form with the Department of Revenue, include the Annual Report fee with the corporation's expected income tax liability. (See Part 1, Line 4.)
