Once you have activated your card, you can use it to get cash and make purchases.

**IF YOU RECEIVE FOOD STAMP BENEFITS...**

Once you have activated your card, you can use it to buy food. Look for the Quest logo:

- If you receive Food Stamp benefits...
- If you receive Support Funds or Cash Payments...
- Employment & Training (E&T) Funds...

**BUYING GROCERIES**

- Select "EBT" on the merchant’s terminal and enter your 4-digit PIN
- Tell the cashier you want to use your Food Stamp benefits
- Keep your receipt — it shows your Food Stamp account balance

**MANUAL TRANSACTIONS**

- If the store’s terminal is not working, you can still use your Food Stamp benefits to buy food
- The cashier will total your groceries and fill out a form
- Sign the form and keep a copy as your receipt

**USING YOUR BENEFITS ILLEGALLY**

- Intentional misuse of your card and/or benefits is a federal crime
- You could be disqualified from the benefit program and may be prosecuted if you use your card for illegal purposes

**DO YOU RECEIVE MULTIPLE BENEFIT/PAYMENTS?**

If you receive multiple benefit/payment types on your UCard, certain funds may automatically be used to cover the difference when you attempt to make a purchase without having enough funds in a particular account.

For example, say you receive Employment & Training (E&T) Funds and also Support Funds. The balance in your E&T account is $10.00 and you try to make an E&T purchase that costs $15.00.

Instead of denying your transaction, UCard will automatically check the balance in your Support Funds and, if available, funds will be taken out of that account to pay the difference.

Use this chart to help you understand the order in which funds will be used for various transactions:

<table>
<thead>
<tr>
<th>If you do not have enough funds in this account to pay for your transaction...</th>
<th>This is what will happen...</th>
</tr>
</thead>
<tbody>
<tr>
<td>Food Stamps</td>
<td>Transaction will be denied</td>
</tr>
<tr>
<td>Child Care</td>
<td>Transaction will be denied</td>
</tr>
<tr>
<td>Employment &amp; Training</td>
<td>If you also receive Support Funds: Funds will be taken out of your Support Funds account to make up the difference</td>
</tr>
<tr>
<td>Support Funds</td>
<td>If you also receive Cash Payments: Funds will be taken out of your Cash Payments account to make up the difference</td>
</tr>
<tr>
<td>Cash Payments</td>
<td>Transaction will be denied</td>
</tr>
</tbody>
</table>
