THIS CONTRACT made effective as of the \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_.

**BETWEEN:**

[NAME OF SERVICE PROVIDER]  
[address]  
(hereinafter called the "Installer")

- and -

**The Customer Identified in Schedule "A" - Customer Information Attached Hereto and Made Part of  
this Contract**  
(hereinafter called "Customer")

Customer hereby retains Installer to provide the services and items set out in this Contract, on the following terms and conditions:

## Terms and Conditions

### 1. Duties of Installer

- (a) Installer will perform the installation at the property identified in Schedule "A" (the "Property").
- (b) The services and items to be supplied by Installer (collectively referred to as the "Display") are listed on Schedule "B" (attached hereto and made a part of this Contract by reference).
- (c) As far as possible, Installer will use Customer's written, verbal or pictorial description to design the Display, in accordance with the price quote contained on Schedule "A" hereof. If Customer requests any changes in design, color, or location after installation of the Display has begun, Customer may be charged additional installation fees.
- (d) Customer acknowledges that Installer cannot guarantee consistent light bulb orientation in the Display, due to the twisting nature of the light strands.
- (e) Installer will only use top quality products to complete the installation, including but not limited to longer-life bulbs, UL-rated outdoor extension cords, and commercial-grade specialty lighting.
- (f) Installer will use best efforts to ensure that no damage is done to the Property, however, Installer can make no guarantees in this regard. Installer's technicians will obtain Customer's consent before using staples, hooks or other fasteners that may damage the exterior of the Property.
- (g) Installer shall not overload any electrical circuits with more lights than the circuit can safely accommodate.
- (h) Removal of the Display is included in the installation fee, and will take place on a date mutually agreed to by the parties. Installer will dismantle the Display, but it is Customer's responsibility to pack and store the lights, wiring and other items.
