Want to know more? First time submitting a claim?

GET YOUR MONEY BACK FAST

Following the tips and instructions below will help you submit "clean" claims for faster processing. For more detailed guidelines, read **How to File a Claim** available online after logging in at **hraveba.org**. Standard processing time is **five business days** from the date received. If you're not signed up for direct deposit, remember to allow additional time to receive your paper checks in the mail. Email (recommended), fax, or mail your completed Claim Form and proof of expense(s) to the Plan as indicated at the top of the Claim Form.

ENTER YOUR PARTICIPANT ACCOUNT NUMBER

If you have more than one claims-eligible participant account, include the participant account number of the account from which you want to be reimbursed. Otherwise, your claim will be reimbursed from the account with the earliest claims-eligibility date.

FULLY COMPLETE EACH SECTION OF THE CLAIM FORM

Missing information, particularly in section 3, will likely result in denied claims. Federal law requires the Plan to have on file the full name, Social Security number, gender, and date of birth of all covered individuals.

SUBMIT PROOF OF EXPENSE

Make sure you attach proof of each expense. Missing, incomplete, or illegible forms of documentation are the most common reasons claims are denied. You can help avoid denied claims by making sure the proof you submit is legible and contains all of the following:

- 1. Name of covered individual who received the item or service;
- 2. Date item was purchased or service was provided;
- 3. **Service Provider** name (e.g. doctor, pharmacy, hospital, etc.);
- 4. **Description** of the item purchased or service received; and
- 5. Amount of out-of-pocket expense.

Cancelled checks, carbon copy checks, credit or debit card receipts, bank statements and balance forward or payment on account statements are **not** acceptable. Proper proof includes:

- 1. Explanation of benefits (EOB) from your insurance company (recommended);
- 2. **Itemized statement** of services from your doctor or other service provider;
- 3. **Stub** from a prescription (not the cash register receipt); or
- 4. **Detailed receipt and prescription** for over-the-counter medicines.

Certain claims, such as insurance premiums, dental/orthodontia, and massage therapy require additional proof. For more details read the **How to File a Claim** handout available online after logging in at **hraveba.org** or upon request from the customer care center.

REIMBURSE YOUR QUALIFIED INSURANCE PREMIUMS AUTOMATICALLY

You don't have to submit a Claim Form every month for your qualified insurance premiums. Auto premium reimbursement is available. Simply complete and submit an **Auto Premium Reimbursement** form. Forms are available online after logging in at **hraveba.org** or upon request from the customer care center.

HELPFUL CHECKLIST:

Attach legible proof of
each expense - use an EOB
whenever possible.
P

- ☐ Enter the correct account number.

- ☐ Handwritten receipts must have provider information stamped on them.
- ☐ If you want to note certain items on your receipts, circle the items do not use a highlighter.

Important Information

E-COMMUNICATION:

If you have elected e-communication, please note that after logging in at hraveba.org, you (1) may withdraw your consent for electronic documents at any time without charge by updating your account preferences; (2) will be able to view and print copies of electronic documents (you may request paper copies at no charge by contacting the customer care center); and (3) can update your email address on file by updating your personal information. To access electronic documents, you will need a copy of Adobe Acrobat Reader software loaded on your computer. You can download and install a free copy at www.adobe.com. Documents provided electronically will not be mailed via U.S. Mail.

QUALIFIED EXPENSES AND PREMIUMS:

Medical expenses you submit for reimbursement must be incurred after you become and remain claims-eligible. Common qualified expenses include co-pays, coinsurance, deductibles, and prescriptions. Qualified insurance premiums include medical, dental, vision, tax-qualified long-term care (subject to IRS annual limits), Medicare Part B, Medicare Part D, and Medicare supplement plans. IRS regulations provide that insurance premiums paid by an employer or deducted pre-tax through a Section 125 cafeteria plan are NOT eligible for reimbursement. In addition, premiums subsidized by the Premium Tax Credit are not eligible for reimbursement. For more details, read Qualified Expenses and Premiums, How to File a Claim, or Facts About Premium Tax Credit Eligibility available online after logging in at hraveba.org or upon request from the customer care center.

LEGAL SPOUSE AND DEPENDENT COVERAGE:

 $The\,HRA\,VEBA\,plan\,covers\,you,\,your\,legal\,spouse,\,and\,qualified\,dependents.$

A legal spouse includes anyone you have legally married, so long as the marriage occurred in any U.S. or foreign jurisdiction that recognized the marriage, regardless of where you live now. Generally, dependents must satisfy the IRS definition of "qualifying child" or "qualifying relative" as of the end of the calendar year in which expenses were incurred. Effective September 1, 2010, your young adult children's expenses incurred through the end of the calendar year in which they turn age 26 are eligible for reimbursement. See **Definition of Dependent** at **hraveba.org** for more details.

MULTIPLE INVESTMENT FUNDS:

If your account is allocated among multiple investment funds, withdrawals (claims) will be deducted pro rata based on your balance in each fund at the time of withdrawal unless you request otherwise in writing.

MEDICARE COORDINATION:

Section 111 of the Medicare, Medicaid and SCHIP Extension Act of 2007 (MMSEA) requires HRA VEBA Trust to report specific information about Medicare beneficiaries covered under the Plan. The purpose of this reporting is to assist the Centers for Medicare & Medicaid Services (CMS), the federal agency that oversees the Medicare program, coordinate the payment of benefits with other group health plans, such as your HRA VEBA. Federal rules determine whether Medicare or HRA VEBA should pay first. Generally, your HRA VEBA account is primary to Medicare if you're still employed by the employer that made (or is making) contributions to your HRA VEBA account. For more details, read Who pays first, HRA VEBA or Medicare? available online after logging in at hraveba.org or upon request from the customer care center.
