

COBRA Benefits Termination Form

This form is to terminate one or more benefits continued through COBRA.

If participating in ACH, please note Discovery Benefits needs to receive notification at least 15 days prior to the 1st of the month of your requested termination. If this form is received after that timeframe, Discovery Benefits cannot guarantee that the ACH payment for that month will be cancelled. However, if a payment is withdrawn, you will be refunded via check.

When terminating all benefits with an overpayment balance remaining, you will only receive a refund check if the amount is greater than \$25.00. Lesser amounts are used by the employer who sponsors the group health plan to pay for plan administration expenses. Standard processing time for refunds is 15 business days from the date this completed form is received.
