Federal data and other data sources are used to estimate average taxes paid when actual data are unavailable for most tax types. The methodology for some estimates and income class categories changed from 2014 due to changes in the Bureau of Labor Statistics Consumer Expenditure Survey (CES), therefore estimates from prior years may not be comparable.

- Estimate of income uses the CES definition of "money income" which includes all sources of income, taxable and nontaxable, as well as transfer payments (such as public assistance, supplemental security income, food stamps, and other benefits or contributions).
- Some taxpayers family money income estimate was negative. Negative income is associated with self-employment and investment losses. These taxpayers were excluded because we cannot reliably assign them to the income categories used in this table.
- The weighted averages were calculated for each row using the average tax paid for each income class multiplied by the total number of filers in that income class. This report's weighted average values are not comparable to prior reports' average values.
- ⁴ Estimate is based on values from state and Federal income tax returns.
- 5 Estimate is calculated using the CES proportion of income for the tax on that item for each class, multiplied by the Colorado average income value for each class.
- 6 Industry data (e.g., average prices) was used to estimate the tax paid based on the CES value for that item. Then, the estimate was calculated using the CES proportion of income for the tax on that item for each class, multiplied by the Colorado average income value for each class.
- The total state collections for drivers licenses was divided by the total number of filers, yielding a flat fee across all income classes.
- 8 The registrations and specific ownership fees/taxes paid were estimated using the total state collections and the CES average number of vehicles for each income class.
- ⁹ Total local occupation fees collected were distributed by income class.
- ¹⁰ Medicare and Social Security taxes were estimated based on income subject to these taxes.
- ¹¹ Employers pay taxes to Medicare and Social Security on the employees' behalf.

How To Use This Filing Guide

This filing guide will assist you with completing your Colorado Income Tax Return. Please read through this guide before starting your return. Once you finish the form, file it with a computer, smartphone or tablet using our free and secure Revenue Online service at *Colorado.gov/RevenueOnline*. You may also file using private e-File software or with a paid tax preparer. You significantly reduce the chance of errors by filing your return electronically. If you cannot file electronically for any reason, mail the enclosed forms as instructed. All Colorado forms and publications referenced in this guide are available for download at *Colorado.gov/Tax*, the official Taxation website.

The following symbols appear throughout this guide and point out important information, reminders and changes to tax rules.

This points out a topic that is the source of common filing errors. Filing your return on Revenue Online will reduce the risk of errors; however, it is important to understand the information on your return. **Errors cause processing delays and erroneous bills.**

Several subtractions and tax credits require you to provide supporting documentation. This symbol points out those requirements. If the additional documentation is not provided, it will cause processing delays or denial of the credits/subtractions. These documents can be scanned and attached to your electronic filing through Revenue Online or most tax software, mailed with the DR 1778 or attached to your paper return.

In-depth tax information is available in our easy to understand FYI Publications, which include examples and worksheets. This symbol lets you know when such a publication is available for a subject. All FYI publications are available in the Education and Legal Research section at *Colorado.gov/Tax*.

Filing Information

Who Must File This Tax Return

Each year you must evaluate if you should file a Colorado income tax return. Generally, you must file this return if you are required to file a federal income tax return with the IRS for this year or will have a Colorado income tax liability for this year **and** you are:

- · A full-year resident of Colorado, or
- A part-year Colorado resident who received taxable income while residing here or
- Not a resident of Colorado, but received income from sources within Colorado.

Colorado residents must file this return if they are required to file an income tax return with the IRS, even if they do not have a Colorado tax liability. Otherwise, the Department may file a return on your behalf and our return might not consider your unique tax situation. Also, the only way to determine if you are entitled to a refund is to file a return.

Due Date

The DR 0104 and any tax payment owed are due **April 15**, **2020**. Revenue Online will accept returns as timely filed until midnight. Returns that are mailed must be

postmarked by April 15. An automatic extension to file is granted until **October 15**, but there is **no extension to pay**. See page 27 for more information.

Deceased Persons

Legal representatives and surviving spouses may file a return on behalf of a deceased person whose date of death was during the tax year. Surviving spouses may complete the return as usual and indicate the deceased status on the return. They can file the return and submit a copy of the death certificate through Revenue Online. Legal representatives may file the return and submit a copy of the death certificate through Revenue Online, but they must complete the Third Party Designee portion of the return. Either a surviving spouse or legal representative can avoid problems when filing on paper by marking the box next to the name of the deceased person, writing "DECEASED" in large letters in the white space above the tax year of the return, writing "FILING AS SURVIVING SPOUSE" or "FILING AS LEGAL REPRESENTATIVE" after their signature, and attaching the DR 0102 and a copy of the death certificate to the return.

To claim a refund on behalf of a deceased person: you must submit a copy of the death certificate with the DR 0102 when filing the return.

Filing Status

You must file using the same filing status on both your federal and Colorado income tax returns. Any two individuals who legally file a joint federal income tax return must also file their Colorado income tax return jointly. Individuals filing a joint return must list the taxpayer names and Social Security numbers (SSN) in the same order on both the federal and Colorado returns. For married filing separate, do not list your spouse's name or SSN on the return.

Claiming Credits from a Pass-through Entity

Individuals claiming tax credits as a partner or shareholder must obtain from the partnership or S corporation a federal Schedule K-1 or other statement reporting the name and employer identification number (EIN) of the partnership or S corporation and the type and amount of the credit. The Colorado Department of Revenue verifies the credit claims of partners and shareholders by reviewing the partnership or S corporation's return. The Schedule K-1s or statements may be submitted through Revenue Online, through tax software or may be attached to a paper return.

Line-by-Line Instructions for the DR 0104

First, complete the federal income tax return you will file with the IRS because you will use information from that return on your Colorado income tax return. Colorado income tax is based on your federal taxable income, which has already considered your deductions.

Residency Status

Mark the appropriate box to designate your residency status. If you are filing a joint return, and one person is a full-year Colorado resident and the other is either a part-year resident or a nonresident, mark the Part-Year Resident/Nonresident box.

PYT Part-Year Colorado Residents and Nonresidents

Tax is prorated so that it is calculated only on income received in Colorado or from sources within Colorado. We recommend you review publication FYI Income 6 if this applies to you. You will calculate your prorated tax by completing the DR 0104PN. You must submit the DR 0104PN with your return.

Persons Traveling or Residing Abroad

If you are traveling or residing outside the United States on April 15, the deadline for filing your return is June 15, 2020. If you need additional time to file your return, you will automatically have until October 15, 2020, to file. Interest is due on any tax paid after April 15, 2020. To avoid any late payment penalties, you must pay 90% of your tax liability by June 15, 2020, file your return by October 15, 2020 and pay any remaining tax due at the time of filing. When filing your return, mark the "Abroad on Due Date" box on Revenue Online or the paper return.

FYII Active Duty Military

Under federal law, a military servicemember's state of legal residence does not change solely as the result of the servicemember's assignment for service in another state. Consequently, a Colorado resident who enters into military service will remain a Colorado resident unless they officially change their state of legal residence as described in DD Form 2058.

In general, military servicemembers who are Colorado residents are subject to the same income tax filing requirements as other Colorado residents, even if they are serving in another state. These requirements are described on the preceding page, under the heading "Who Must File This Tax Return."

However, any military servicemember who spends at least 305 days of the tax year stationed outside of the United States on active military duty may elect to be treated as a nonresident. The servicemember may make this election by filing a return and checking the applicable box on Form 104PN.

Military servicemembers who are stationed in Colorado, but are not Colorado residents, are not required to pay Colorado tax on their military income. However, any other Colorado source income of a nonresident servicemember is subject to Colorado taxation.

Please see "Military Service Members — Special Filing Information" webpage on our website for additional information.

The residency rules described above for military servicemembers also apply generally to a servicemember's spouse if the spouse is residing with the servicemember either inside or outside of Colorado in compliance with the servicemember's military orders. If a servicemember and their spouse are nonresidents stationed in Colorado, any wages earned by the spouse for work performed in Colorado are not subject to Colorado taxation. The military spouse must complete a DR 1059, provide a copy to their employer when hired for employment, and submit a copy to the Department, along with a copy of their military ID card, when they file their Colorado return each year. The DR 1059 may be filed with the Department through Revenue Online, with DR 1778, or as an attachment to a DR 0104 filed by paper.

FYII Name and Address

Provide your name, mailing address, date of birth, Social Security number, as well as the state of issue, last four digits, and the date of issuance of your state issued ID card in the provided spaces. If filing Married Filing Joint, provide the spouse's information where prompted. Provide the spouse's information ONLY if filing a joint return. Otherwise leave blank. All Departmental correspondence will be mailed to the mailing address provided. We recommend you read publication FYI General 2 for the Privacy Act Notice.

Line 1 Federal Taxable Income

Refer to your federal income tax return to complete this line:

If your federal taxable income is a negative amount, be sure to enter the amount as such on your Colorado return. If submitting a paper return, put the negative amount in parentheses, for example (\$1,234).

Do not enter your total income or wages on this line because it will make your tax too high. The Department will compare the amount you list here to the return you file with the IRS, so be very careful to complete this correctly.

 Direct Deposit—Enter the routing and account numbers and account type. The routing number is 9 digits. Account numbers can be up to 17 characters (numbers and/or letters). Include hyphens, but do NOT enter spaces or special symbols. We recommend that you contact your financial institution to ensure you are using the correct information and that they will honor a direct deposit. See the sample check below to assist you in finding the account and routing numbers.

Did you know you can now direct deposit your tax refund into a new or existing CollegeInvest account? Please contact 1-800-448-2424 or visit *CollegeInvest.org* for more information.

• Intercepted Refunds—The Department will intercept your refund if you owe back taxes or if you owe a balance to another Colorado government agency or the IRS. If you are filing a joint return and only one party is responsible for the unpaid debt, you may file a written claim to: Injured Spouse Desk, 1375 Sherman Street, Room 240, Denver, CO 80261. Claims must include a copy of your federal income tax return, federal form 8379 and copies of all W-2, W-2G, or any 1099 statements received by both parties. DO NOT attach your claim to this return. It will not be processed.

Line 38 Net Tax Due

Subtract line 25 from line 16. This is the amount you owe with this return. If you are filing after the due date (or valid extension) or you owe estimated tax penalty, continue to the next line. If you are filing timely and do not owe penalty or interest, go to line 42.

Line 39 Delinquent Payment Penalty

Calculate any penalty owed for delinquent filing or payment. The penalty is the greater of \$5 or 5% of the net tax due for the first month after the due date and increased by 0.5% for each additional month past the due date. The maximum penalty is 12%. If you prefer not to calculate this penalty, the Department will bill you.

Line 40 Delinquent Payment Interest

Calculate any interest owed for delinquent filing or payment. The interest rate is 6% of the net tax due. If you prefer not to calculate this interest, the Department will bill you. Interest on any bill issued that remains unpaid after 30 days of issuance will increase to 9%.

Line 41 Estimated Tax Penalty

To calculate this penalty, complete the form DR 0204. Enter any estimated tax penalty owed on this line. You must submit the DR 0204 with your return. If you over compute your estimated tax penalty from what the Department calculates, any amount of overpayment of penalty will be refunded to you.

Scan and submit the form DR 0204 through Revenue Online E-Filer Attachments or submit the form to your paper return.

Line 42 Amount You Owe

Enter the sum of lines 38 through 41. You have three payment options. **Please note:** Any assessment made by the Department will likely include delinquent payment penalty and interest. The only way to avoid paying penalty and interest is to pay in full by the filing due date.

- Pay Online—After submitting your return on Revenue Online, you will be given the opportunity to submit an online payment with your credit card, e-check or by Electronic Funds Transfer (EFT). Third Party Designee

Mark the "Yes" box to allow the Colorado Department of Revenue to discuss this tax return with the paid preparer or designee who signed it. This authorization is valid for any period of time and can be revoked with a written statement to the Department. Revocations must declare the return filing period and tax type, must designate that the Third Party Designee is being revoked and must be signed and dated by the taxpayer and/or designee. By completing this area of the return, the taxpayer is granting the designee the ability to:

- Provide any missing information needed for the processing of the return, and
- Call the Department for information about the return, including the status of any refund or processing time, and

- Receive upon request copies of notices, bills or transcripts related to the return, and
- Respond to notices about math errors, intercepts and guestions about the preparation of the return.

- Contact your employer to request a copy, or
- Use the year-to-date (YTD) Colorado wages and withholding amounts from your final paycheck stub to complete a Substitute W-2, form DR 0084 and submit both with your return.

Records Retention

Keep all documentation you used to prepare your return at least 4 years after the due date, which is the statute of limitations for the Department to make changes to your return. However, if the Department does not receive your return, they may file on your behalf using the best information available. There is no statute of limitations for assessment if a return is not filed.

Correcting Errors or Changing a Return

Individual income tax returns from 2009 and forward may be amended electronically through Revenue Online. Filing and amending returns in Revenue Online is a free service. You may amend online even if the original return was filed on paper. Revenue Online has all the information from your original return. You will not need to re-enter everything.

- If you cannot amend online, you may file the DR 0104X. Make sure you use the appropriate form version for the year you are amending.
- If you are changing your Colorado return because the IRS made changes to your federal return, you must file the DR 0104X within 30 days of being notified by the IRS. You must amend your Colorado return in this case, even if there is no net change to your tax liability.

IT IS VERY IMPORTANT THAT YOU SUBMIT ALL SCHEDULES AND SUPPORTING DOCUMENTATION FOR ANY CHANGES WITH YOUR AMENDED RETURN. YOU MUST SUBMIT ALL SCHEDULES, EVEN IF YOU ARE NOT CHANGING THOSE VALUES.

FYII Estimated Tax Requirements

If you expect next year's Colorado tax liability to be greater than \$1,000 after subtracting credits, you should make estimated tax payments using the DR 0104EP. We recommend that you read publication FYI Income 51 for additional information.

It is important to read all the information available for your specific tax situation and to submit all required documentation with your return. Failure to do so may result in delayed processing of your return and refund, if any. We recommend that you file using Revenue Online to avoid common mathematical errors. You may also opt to use a commercial tax preparation software program or a paid tax professional to help you complete your return.

Federal Earned Income Tax Credit and Colorado Insurance Programs

Line 1 Child Care Expenses Credit (DR 0347 and DR 0104CR Part I)

Even when the federal tax is zero, Colorado offers taxpayers—with an Adjusted Gross Income of \$25,000 or less—a Colorado income tax credit of 25 percent of their child care expenses up to \$500 for one child, or up to \$1,000 for two or more children. Use form DR 0347 to calculate this credit and submit it along with the form DR 0104CR.

Lines 2 through 5 To Calculate the Colorado Earned Income Tax Credit (EITC) on DR 0104CR:

Line 2 Enter the amount of earned income calculated for your federal return.

In order to calculate the value of your Federal earned income tax credit, you must determine the amount of earned income. You may use the Earned Income Credit Worksheet (EIC Worksheet) and the Earned Income Credit (EIC) Table in the instruction booklet for Federal Form 1040 or 1040SR or use the EITC Assistant Tool online: IRS.gov/Credits-&-Deductions/Individuals/Earned-Income-Tax-Credit/Use-the-EITC-Assistant. It is available in both English and Spanish.

Line 3 The federal EITC you claimed

Refer to the credit you entered on the Federal Form 1040.

 Enter the amount of line 18a from Federal Form 1040 or 1040SR on the Colorado Form DR 0104CR line 3.

Table Instructions: If you have a qualifying child and you claimed the EITC on the Federal 1040 or 1040SR, you will need to identify that child or those children in this table. Enter each qualifying child's last name, first name, year of birth and Social Security number. Only check the "Deceased" box for a qualifying child if the child was born and died in 2019 and was not assigned an SSN, you must submit a copy of the child's birth certificate, death certificate, or hospital records showing a live birth with your return.

Line 4 COEITC

Multiply the amount you entered on line 3 by 0.1 to calculate your Colorado EITC.

Line 5 If you are filing as a part-year resident ONLY Multiply the amount you entered on line 4 by the percentage on the DR 0104PN line 34. (If the percentage exceeds 100%, use 100%.) Enter the result on line 5. This is the portion of the Colorado EITC you are allowed.

Line 6 Business Personal Property Credit for Individual Business Owners

The income tax credit for business personal property taxes is limited to \$18,000 of the actual value of your personal property that you paid tax on during 2019. This is different than real property, which is not eligible for this credit. If your

actual value is less than \$18,000, you can claim the total amount of the assessment you paid, and you must include the assessor's statement(s) for which you are claiming the credit. To find your actual value, either look for it on your statement, or find your assessed value and divide it by 0.29.

Actual Value = Assessed Value/0.29.

If you own personal property whose actual value is above \$18,000 for which you were assessed, you can only claim the assessment on the first \$18,000 of the property in question. You will need to prorate your assessment with the following formula:

$$\frac{18,000}{actualvalue} * assessment = allowable credit$$

For example, if your assessment was \$2,000 for personal property tax paid in 2019, but your actual value was \$25,000, you would be permitted to claim \$1,440 (72% of the tax assessed or (\$18,000/\$25,000)*\$2,000)).

Please include a copy of your property tax statement for property tax paid in 2019.

Note There are two credits that are available for the preservation of historic properties and structures. Each credit has a different certification process and is subject to different limitations and qualification requirements.

2019 Extension Payment for Colorado Individual Income Tax (calendar year—Due April 15, 2020)

Filing extensions are granted automatically, only return this form if you need to make an additional payment of tax.

Automatic Filing Extension

Colorado offers an automatic 6-month extension to file your income tax return if you cannot submit your return by the April 15 due date. This means that you can file your return by October 15 without filing this form. While there is an extension to file, there is not an extension to the payment due date. Penalty and interest are assessed if certain payment criteria are not met. Please review FYI-General 11 for more information on penalty and interest. If you must wait until October 15 to file your return, use the following worksheet to calculate whether you need to remit a payment on April 15.

Persons Traveling or Residing Abroad

If you are traveling or residing outside the United States on April 15, the deadline for filing your return is June 15, 2020. The extension due date for filing remains October 15, 2020.

Pay Online

Visit Colorado.gov/RevenueOnline to pay online. Online payments reduce errors and provide instant payment confirmation. Revenue Online also allows users to submit various forms and to monitor their tax account. Electronic Funds Transfer (EFT) Debit and Credit options are free services offered by the department. EFT services require pre-registration before payments can be made. Visit Colorado.gov/Revenue/EFT for more information.

The DR 0158-I is not required to be sent if an online payment is made. Please be advised that a nominal processing fee may apply to e-check or credit card payments.

2019 Consumer Use Tax Reporting Schedule

Use this schedule to report consumer use tax due. This is one of three methods of filing to pay a consumer use liability. You may also use Revenue Online or file a DR 0252, Consumer Use Tax Return. See instructions for more information on how to file.

What is Consumer Use Tax?

Consumer use tax is a complement to state sales tax. Consumer use tax is payable to the state on tangible personal property for which sales tax has not been paid. Individuals and businesses have always been required to pay sales or use tax on tangible personal property

purchased from out-of-state vendors if the item is sold, leased, or delivered in Colorado for use, storage, or consumption in the state.

For more information on your consumer use tax obligation, including how to use the new annual customer reports from non-collecting retailers, please visit *Colorado.gov/Tax/UseTax*

Special Districts also assess a use tax. More than half of Colorado residents live in one or more of these districts. The special districts that assess a use tax on purchases and the applicable tax rates are listed in the "Special District Rates and Boundaries Table."

Part II — Credit for Tax Paid to Another State

- · Colorado nonresidents do not qualify for this credit.
- Part-year residents generally do not qualify for this credit.
- If you have income and/or losses from two or more states, you must separately calculate lines 10 through 16 for each state, regardless of whether any tax was paid on such income. If you do not file electronically, you must submit the DR 0104CR for each state. Then, enter "Combined" on line 9 and complete lines 10 through 16 to disclose the combined total for each line. A summary schedule is not acceptable. The Department strongly recommends electronic filing for taxpayers with credits for more than one state. Failure to file electronically may result in delays processing your return.

Submit a copy of the tax return for each other state when claiming this credit. The portion of the return submitted must include the adjusted gross income calculation, any disallowed federal deductions by that state, and the tax calculation for the other state.
