In the event the Property is destroyed or damaged from whatever cause so as to render all or a substantial portion of the Property unfit for the purposes for which the Property is used, and the repair of said destruction or damage cannot reasonably be accomplished within available insurance proceeds within ninety (90) days from the date of such damage, Caretaker and the County shall each be entitled to terminate this Agreement by written notice to the other within thirty (30) days after the destruction or damage occurred.
- B. In the event that the County or Caretaker as their interests may appear, are able to undertake the repair of the Property, they shall complete said repairs within ninety (90) days or within a reasonable time, given the circumstances of the necessary repairs, from the date of destruction or damage and this Agreement shall not be affected.
- C. In the event that parties are not able to repair the Property as hereinabove provided, this Agreement shall terminate immediately upon notice from the County and Caretaker shall not be entitled to any compensation or payment from the County for the value of any remaining term of the Agreement.

- D. All insurance proceeds (except “renter” insurance proceeds specifically covering Caretaker’s personal belongings) shall be immediately paid to the County.

22. NOTICE OF DEFECTS: Caretaker shall give to the County prompt written notice of accidents in or damages to the Property.

23. COMPLIANCE WITH LAWS: It is understood, agreed and covenanted by and between the parties hereto that Caretaker, at Caretaker’s expense, will promptly comply with, observe and perform all of the requirements of all of the statutes, ordinances, rules, orders and regulations now in effect or hereinafter promulgated whether required by the Federal Government, State of Maryland, Montgomery County Government, Montgomery County Department of Environmental Protection, Montgomery County Department of Public Works and Transportation, Montgomery County Health Department or Montgomery County Fire Marshal’s Office. The foregoing shall not be construed to preclude the Caretaker from exercising its legal right to contest the validity of legislation through judicial process, provided that the Caretaker shall continue to fully comply with the provisions of this Paragraph pending the outcome of the Caretaker’s efforts.

24. PARTIAL INVALIDITY: In case any provision or any part of any provision contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision or remaining part of the affected provision of this Agreement, but this Agreement shall be construed as if such invalid, illegal or unenforceable provision or part thereof had never been contained herein but only to the extent it is invalid, illegal or unenforceable. In the event that any such provision may be construed so as to overcome any such potential invalidity, illegality or unenforceability, then a liberal interpretation shall be applied and the Agreement shall be interpreted in such a manner favorable to its validity, legality and enforceability, it being the express intention of the parties hereto to fully perform the obligations contained herein and the purposes sought hereby. And it is also the intention of the both parties that in lieu of each clause or provision that is illegal, invalid or unenforceable, there be added, as a part of this Agreement, a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible and be valid, legal and enforceable.

25. WAIVER: The failure of either party to insist on any occasion upon the strict performance of any covenant, condition or agreement herein contained shall not constitute or operate as a waiver of such covenant, condition or agreement on that occasion or any subsequent occasion. No mention in this Agreement of any specific right or remedy shall preclude either party from exercising any other right or from having any other remedy or from maintaining any action to which it may otherwise be entitled either at law or in equity. The County specifically does not waive its police powers or any authority to enact legislation or administer or enforce its legal rights or obligations.

26. PUBLIC EMPLOYMENT: Caretaker understands that unless authorized under Section 11B-52 and Chapter 19A of the Montgomery County Code (1994), as amended, it is unlawful for any person transacting business with Montgomery County, Maryland, to employ a public employee for employment contemporaneous with his or her public employment.

27. HOLDOVER: In the event that the Caretaker shall continue to occupy the Property or any part thereof after the conclusion of the term of this Agreement, or any extensions thereof, with prior written authorization of the County the tenancy thus created shall be deemed to be upon a month-to-month basis and may be terminated by either party giving the other not less than thirty (30) days written notice, to expire on the day of the month from which the tenancy commenced. During any month-to-month tenancy, both parties shall continue to observe all agreements, covenants and conditions contained in this Agreement.

28. PROHIBITION OF HAZARDOUS SUBSTANCES: The Caretaker agrees not to store or bring hazardous substances onto the Property. The Caretaker shall be responsible for and shall indemnify and defend the County against any and all claims of any personal injuries or personal and real property damage as a result of any hazardous substance being brought on the Property by the Caretaker, its agents, contractors, subcontractors, employees, roommate, or invitees.

29. NON-APPROPRIATION: This Agreement and expenditures hereunder are subject to the annual appropriation of funds. The County shall give Caretaker at least thirty (30) days written notice of the lack of appropriation and either party may terminate this Agreement due to such non-appropriation.

30. MAILING NOTICES: Unless otherwise provided herein, whenever notice is to be given under the terms of this Agreement, such notice shall be deemed to have been given three (3) United States Postal Service working days after enclosed in an envelope having the proper postage, addressed to the party, and deposited at the United States Post Office or mailbox. Any such notice shall be in the form of Certified Mail, Return Receipt Requested. Notices to the respective parties shall be addressed as follows:

Upon such condemnation or taking, the term of this Agreement shall, at the option of either party, cease and terminate from the date of such governmental taking or condemnation and the Caretaker shall have no claim against the Landlord for the value of any unexpired term of this Agreement. The foregoing notwithstanding, Caretaker shall be entitled to claim in a separate proceeding and to prove and receive in such separate proceeding such award as may be allowed for relocation expenses.

36. TERMINATION FOR CONVENIENCE OF THE GOVERNMENT:

Performance under this agreement may be terminated in whole or in part, whenever the Chief Administrative Officer of Montgomery County shall determine that termination of this Agreement is in the best interest of Montgomery County. In the event of termination, the County shall be liable for performance due or becoming due prior to the effective date of termination. Termination hereunder shall be effected by delivery to the Lessee of written Notice of Termination, upon which date the termination shall become effective.

37. INCORPORATION OF RECITALS: The recitals are incorporated into this Agreement as if fully set forth herein.

Dear Steve,

I would like to thank you for the opportunity to submit a proposal to Lease and Restore the Chiswell Property in Dickerson. As long time Poolesville / upper Montgomery County residents for over 20 years, we have a great appreciation for what this area has to offer. The county is filled with treasures from the past, some well known, and others not. We feel it would be a great asset to the surrounding area, to have access to, as well as a more thorough knowledge of the Chiswell Property.

On the pages that follow, I have presented a plan that we feel would be in the best interest of the property as well as the county.

If our proposal were not "individually" accepted, we would like to be considered as a part of a co-tenant or sub-lease situation. We may not have the financial backing or reserves required to satisfy the County requirements for taking on the entire project, but we have a great deal of experience (over 40 years) in assisting on a Restoration of the Chiswell Property. I have also been doing a great deal of research into the grants, donations and low-interest loans that are available for such a project.

Thank you in advance for your consideration in the approval process.

Sincerely,

Paul Harney and Family

I am sorry this did not arrive on Monday. We were out of town and I was trying to fax it from my laptop, but it appears I was unable to do so. I tried calling in the afternoon, but it appears that either your office closed early or someone was not available to answer the main phone line?!

This is not a full proposal, but more so an application to be the long-term tenants and caretakers of the Chiswell Property. I hope that you can review and/or submit this into the process. We just did not have enough response, in a timely manner, from a few different sources we contacted to assist in obtaining all of the quotes, costs and estimates for a detailed proposal. There are some general figures that my dad's many years of contracting experience, along with pricing research I did from home improvement warehouse sources, have enabled us to provide.

As per my cover-page that follows, maybe we can be involved with a commercial group, such as Historic Medley District. They may be interested in the Restoration, but would be in need of a long-term tenant family to occupy and maintain the property. It may help strengthen our position with the fact that my dad and I have construction and maintenance backgrounds, as well as the fact that I worked part-time at Home Depot for over 3 years. I also own my own business and that makes the time needed to care for the property a lot more flexible.

Thanks again for the opportunity. Please contact me if you have any further questions.
