DD-214’s Available Online

The National Personnel Records Center (NPRC) has provided the following website for veterans to gain access to their DD-214 online: http://vetrecs.archives.gov/

The NPRC, however, will still take several weeks to months to process your DD-214.

If you require your DD-214 promptly, you’ll need to hire a private research company with researchers located at the various facilities where your DD-214 may be located. This will cut the time veterans have had in the past waiting for copies of their DD 214’s and will be particularly helpful when they need a copy of their DD-214 for employment purposes.

One of these companies is Touchstone Research Group. You can find a description of their DD-214 Express Service at http://dd214express.com/

A good site for DD-214 reference, describing the various alternatives to access your DD-214 is http://dd214.us/

Thank you!
