

To

**The Executive Engineer,**  
Lift Irrigation Division,

(Through proper channel)

Sub: Application for installation of Bore Well in my land/plot under  
**Biju Krushak Vikash Yojana - Deep Bore Well Secha Kariyakram.**

Sir,

I am to intimate you that I, Sri/Smt.....  
S.O/W.O..... have my land at ..... village of  
..... Block, under ..... District having plot No ....., Khata  
No..... Area ..... hectare, where I want to have the installation of one Bore Well  
under the above mentioned scheme.

I may kindly be allowed to deposit an amount Rs.1000/- (non-refundable) towards initial deposit, if my plot is found suitable to such installation, after pre-feasibility study by you, which will be subsequently subjected to VES test (Sounding Test).

Upon successful installation of Bore Well and yield test, I undertake to deposit my balance contribution of 10% of the project cost, maximum up to Rs.20000/-. Further, I shall facilitate necessary approach to the pin-pointed plot. I herewith offer my willingness to execute agreement with the electrical distribution company for availing power supply to the proposed Bore Well project after deposit of the Service Connection Charge, Security Deposit and Inspection fees etc. by me. After energisation, the project shall be taken over by me.
