Minnesota Health Care Programs
Application for Payment of Long-Term Care Services

What is this application for?
Use this application to apply for health care coverage for:

- Long-term care such as a nursing home, intermediate care facility and nursing facility care in an inpatient hospital.
- Services to help you stay in your home through the Elderly Waiver (EW), Community Alternatives for Disabled Individuals (CADI), Community Alternative Care (CAC), Traumatic Brain Injury (TBI) or Developmental Disabilities Waiver (DD).

IMPORTANT: You must have a Long-Term Care Consultation (LTCC) before our program can pay for long-term care in a facility or for services to help you stay in your home. An LTCC is a screening program that helps decide what type of care you need to stay in your home. Call your county agency to find out what you need to do if you have not had an LTCC in the past 60 days.

Do not use this application to apply for:

- Health care coverage if you do not live in a long-term care facility or want payment for services to help you stay in your home.
- Cash or food support.

Call your county agency for a different application. The phone numbers are listed on pages B and C at the back of this form.

Authorization to Share Information for Fraud Investigation and Audits
I agree that third parties may share information about me with persons investigating fraud and completing federal or state audits. This may include, but is not limited to:
- Employers and schools,
- Landlords and utility companies,
- Financial and insurance agencies, and
- Other government offices.

If I am enrolled in MinnesotaCare, the Minnesota Department of Revenue may share copies of my income tax returns with investigators.

I understand this consent is good for six months after my benefits stop.

Authorization for Release (Sharing) of My Medical Information
I give my consent to the following agencies or individuals to share between them medical information about me only for the limited purposes indicated:
- Health providers including school districts, health plans, insurance agencies, Minnesota Health Care Programs, county advocates, my county or state case workers, and their contractors and subcontractors:
  - To determine who should pay for my health care, and
  - To provide, manage, and coordinate health care services.
- All other agencies or persons as listed on the Notice of Privacy Practices.

This consent applies to medical information about my minor children I applied for on this application. I understand the school district needs a separate consent to share information about my children with private insurance plans. I can stop this consent at any time by asking in writing for it to end. The written notice to stop this consent will not affect information the agency has already given to others. This consent is good while I am enrolled in Minnesota Health Care Programs, up to one year, or longer if the law permits. However, it does not end after one year for records given to consulting providers, records given for payment of my bills, fraud investigations, or quality of care review and studies. An agency or person who gets my information through this consent could give the information to others.

If I do not sign or I end this consent, I cannot enroll or stay enrolled in Minnesota Health Care Programs.

Medical Assignment of Benefits
I give my rights to all medical payments for me and anyone else I apply for to the State of Minnesota. This includes medical payments from all other persons or companies. For MA for Long-Term Care, this includes my right to support from my spouse under Minnesota Statutes, section 256B.14, subdivision 3. This begins as soon as health care coverage starts.

I agree to help the state to get paid back for medical expenses that should have been paid by others. I may not have to help the state if I have a good reason for not doing so and the state approves the reason.

If I have Medicare Part B, Medicare can pay my health providers for the care I get while I am on a Minnesota Health Care Program.
By signing below:

- I agree that I have read and understand the Notice of Privacy Practices and the list of my responsibilities in that Notice.
- I agree that I have read and understand the Rights and Responsibilities section including Following the rules, Changes and Liens and Estate Claims.
- I agree and understand that my information will be released to the parties listed in the Notice of Privacy Practices in order to verify eligibility for Minnesota Health Care Programs.
- I agree and understand that my information will be shared for fraud investigations and audits as stated in the Authorization to Share Information for Fraud Investigations and Audits section.
- I agree to assign my medical benefits as stated in the Medical Assignment of Benefits.
- I agree to the release of my Minnesota Health Care Programs health records to the parties listed in the Authorization for Release (Sharing) of My Medical Information section.
- I declare that, under penalty of perjury, all parts of this form and any updates to information I give during the year are true and correct statements, to the best of my knowledge. I understand what happens to people convicted of perjury (not telling the truth). They may be sentenced to prison for up to five years, a fine up to $10,000, or both.

You must sign this application even if you are authorizing someone to act on your behalf.

If an applicant is unable to sign, provide copies of legal documents of guardianship, conservatorship or power of attorney.

This notice tells how medical and other private information about you may be used and disclosed and how you can get this information. Please review it carefully.

**Why do we ask for this information?**
- To tell you apart from other people with the same or similar name
- To decide what you are eligible for
- To help you get medical, mental health, financial or social services and decide if you can pay for some services
- To make reports, do research, do audits, and evaluate our programs
- To investigate reports of people who may lie about the help they need
- To decide about out-of-home care and in-home care for you or your children
- To collect money from other agencies, like insurance companies, if they should pay for your care
- To decide if you or your family need protective services
- To collect money from the state or federal government for help we give you.

**Why do we ask you for your Social Security number?**
We need your Social Security number (SSN) to give you medical assistance, some kinds of financial help, or child support enforcement services (42 CFR 435.910 [2006]; Minn. Stat. 256D.03, subd. 3(h); Minn. Stat.256L.04, subd. 1a; 45 CFR 205.52 [2001]; 42 USC 666; 45 CFR 303.30 [2001]). We also need your SSN to verify identity and prevent duplication of state and federal benefits. Additionally, your SSN is used to conduct computer data matches with collaborative, nonprofit and private agencies to verify income, resources, or other information that may affect your eligibility and/or benefits.

You do not have to give us the SSN:
- For persons in your home who are not applying for coverage
- If you have religious objections
- If you are not a U.S. citizen and are applying for Emergency Medical Assistance only
- If you are from another country, in the U.S. on a temporary basis and do not have permission from the U.S. Citizenship and Immigration Services (USCIS) to live in the U.S. permanently
- If you are living in the U.S. without the knowledge or approval of the USCIS.

**Do you have to answer the questions we ask?**
You do not have to give us your personal information. Without the information, we may not be able to help you. If you give us wrong information on purpose, you can be investigated and charged with fraud.

**With whom may we share information?**
We will only share information about you as needed and as allowed or required by law. We may share your information with the following agencies or persons who need the information to do their jobs:
- Employees or volunteers with other state, county, local, federal, collaborative, nonprofit and private agencies
- Researchers, auditors, investigators, and others who do quality of care reviews and studies or commence prosecutions or legal actions related to managing the human services programs.
- Court officials, county attorney, attorney general, other law enforcement officials, child support officials, and child protection and fraud investigators
- Human services offices, including child support enforcement offices
- Governmental agencies in other states administering public benefits programs
- Health care providers, including mental health agencies and drug and alcohol treatment facilities
- Health care insurers, health care agencies, managed care organizations and others who pay for your care
- Guardians, conservators or persons with power of attorney
- Coroners and medical investigators if you die and they investigate your death
- Credit bureaus, creditors or collection agencies if you do not pay fees you owe us for services
- Anyone else to whom the law says we must or can give the information.

We may disclose your health information to a record locator service. This can help health care providers find health plans and other health care providers that have health information about you. The health care provider can then get that information to help make better decisions about your treatment. If you prefer not to be included in the record locator service, you may “opt out” by contacting the Community Health Information Collaborative (CHIC) service desk at 877-411-CHIC (toll free), 218-625-5515 (voice), 218-625-5518 (fax).

**What are your rights regarding the information we have about you?**
- You and people you have given permission to may see and copy medical or other private information we have about you. You may have to pay for the copies.
- You may question if the information we have about you is correct. Send your concerns in writing. Tell us why the information is wrong or not complete. Send your own explanation of the information you do not agree with. We will attach your explanation any time information is shared with another agency.
- You have the right to ask us in writing to share health information with you in a certain way or in a certain place.
For example, you may ask us to send health information to your work address instead of your home address. If we find that your request is reasonable, we will grant it.

- You have the right to ask us to limit or restrict the way that we use or disclose your information, but we are not required to agree to this request.
- You have the right to get a record of some of the people or organizations with whom we have shared your information. This record was started on April 14, 2003. You must ask for a copy of this record in writing to our Privacy Official.
- If you do not understand the information, ask your worker to explain it to you. You can ask the Minnesota Department of Human Services for another copy of this notice.

**What are our responsibilities?**

- We must protect the privacy of your medical and other private information according to the terms of this notice.
- We may not use your information for reasons other than the reasons listed on this form or share your information with individuals and agencies other than those listed on this form unless you tell us in writing that we can.
- We will not sell any data collected, created, or maintained as part of this application.
- We must follow the terms of this notice, but we may change our privacy policy because privacy laws change. We will put changes to our privacy rules on our website at: http://edocs.dhs.state.mn.us/ftpserver/Public/DHS-3979-ENG

**What privacy rights do children have?**

If you are under 18, when parental consent for medical treatment is not required, information will not be shared with parents unless the health care provider believes that sharing the information would not be shared with your parents. You must ask for this in writing and say what information you do not want to share and why. If the agency agrees that sharing the information is not in your best interest, the information will not be shared with your parents. If the agency does not agree, the information may be shared with your parents if they ask for it.

**What if you believe your privacy rights have been violated?**

You may complain if you believe your privacy rights have been violated. You cannot be denied service or treated badly because you have made a complaint. If you believe that your medical privacy was violated by your doctor or clinic, a health insurer, a health plan, or a pharmacy, you may send a written complaint either to the county agency, the organization or to the federal civil rights office at:

**Rights and Responsibilities**

**Immigration**

Immigration information you give to us is private. We use it to see if you can get coverage. We only share it when the law allows it or requires it. In most cases, applying will not affect your immigration status unless you are applying for payment of long term care services.

You do not have to give us your immigration information if you are:

- Applying for emergency medical care only.
- Helping someone else apply.
- Living in the United States without the knowledge or approval of the United States Citizenship and Immigration Services (USCIS) and are pregnant.
- Not applying for yourself.

**You Have the Right to Fair Treatment**

Discrimination is against the law. The U.S. Department of Health and Human Services’ Office for Civil Rights prohibits discrimination in its programs because of race, color, national origin, age, disability and sex, including sex stereotypes and gender identity. If you believe you have been discriminated against, you have the right to file a complaint directly with the federal agency.

Following the rules
People who are enrolled in Minnesota Health Care Programs must follow the rules listed below:
- Do not give false information or hide information to get or continue to get coverage.
- Do not trade or sell your membership cards.
- Do not help others get medical services that you know they should not get.
- Do not use someone else's membership card for yourself or other household members.

If you break the rules you may not be able to keep your coverage. Some adults without children who get their coverage through MinnesotaCare and break the rules, may have their coverage stop for one year the first time; for two years the second time; and forever after the third time. You can also be prosecuted for fraud if you break the rules. Additional fines and penalties may apply.

Child Support
If you are applying for yourself and your children and you do not live with the other parent, the law says you may have to give information to child support staff. This includes helping the state prove who the father of your children is and getting the other parent to help pay the children's medical expenses. Your children will still get coverage if you do not help child support, but you may not get coverage unless you are pregnant.

If you are afraid the other parent may cause harm to you or your child, you can give proof to support your fears. We will review your proof and tell you if you still need to give information about the other parent.

Reviews
The state or federal office may look at your case. They will review the information you gave us and check to make sure we did your case correctly. They will let you know if they need to ask you questions. If you do not answer their questions, your coverage may stop.

Other Health Care
You and your household members may need to accept and keep a health insurance policy. This includes Medicare. If you do not give us information about your policy, you may not get coverage.

Liens and Estate Claims
The state or county may try to recover the cost of medical services paid by Medical Assistance (MA) or General Assistance Medical Care (GAMC). The state may file a claim against your estate, against the estate of your surviving spouse or file a lien against your ownership interest in real property if you received:
- GAMC at any age.
- MA when you were over age 55.
- MA at any age if you lived in a long term care facility for six months or more.

Liens can be filed against:
- Your life estate interest in real property.
- Real property you own by yourself.
- Real property you own with someone else. If you own property with another person, the lien is only against your share.

You should talk to your lawyer or advisor if you have questions.

Changes
You must report changes to your worker within 10 days of the change happening. If you do not report changes, you may have to pay money back to the State for what we paid if you were not eligible.

If you are not sure if you should report a change, call your worker and explain what is happening. Examples of changes you need to report include:

Income:
- Starting a new job, changing jobs or stopping a job.
- Starting to get or changes in the amount of other income you get such as Social Security, other retirement income, child support, unemployment or workers' compensation.

When you:
- Sell your home.
- Move to a new address.
- Get an inheritance or a settlement.
- Transfer or give away assets or income.

When someone in your household:
- Starts to get health insurance or Medicare.
- Becomes pregnant or has a baby.
- Moves in or out of your home.
- Dies, gets married or gets a divorce.
- Becomes disabled.
- Starts or stops school.
