## PERSONALIZED LICENSE PLATE APPLICATION

NRS 482.3667
Personalized License Plates are issued for passenger and light commercial vehicles, trailers, or motorcycles.

## This application is not required for specialty license plates unless they are personalized.

Personalized license plates ordered via mail or facsimile will be available for pickup at the DMV location of your choice, specified on the application below; you will be notified by mail when the plates are available to be picked up. You must bring your current registration, evidence of Nevada insurance and license plates. Substitute plate fees may apply.

If the vehicle is currently registered, you have the option to maintain the current vehicle registration expiration date or to renew for a full 12-month period from the date of transaction. Credit for any unused portion of the current registration is transferable to the personalized license plate registration. Evidence of a passing emissions inspection dated within the last 90 days (where applicable) will be required if you choose to renew your registration.

NOTE: The Department reserves the right to refuse any combination of letters and/or numbers that are deemed to be derogatory, profane, vulgar, or in conflict with any license plate series that has been issued. (NRS 482.3667 and NAC 482.320). All personalized plates are subject to an approval process; you will be notified if the plates you have requested are denied. The DMV may prohibit the transfer of personalized license plates from one vehicle or trailer to another if such transfer would result in an inappropriate use of letters or combination of letters and numbers.

Complete a SEPARATE application for each personalized license plate request.
Combinations MAY NOT exceed the number of positions, including spaces, designated for each Specialty License Plate. Symbols and punctuation marks MAY NOT be used. Refer to PERSONALIZED LICENSE PLATE INFORMATION SHEET (form SP-66A) for the maximum characters for each license plate style and associated fees.
