

Docketing Judgments

Directive #21-75
Issued by:

July 26, 1976
Arthur J. Simpson, Jr., J.A.D.
Acting Administrative Director

In order to achieve uniformity in procedures for docketing of Special Civil Part Judgments the form developed by the former Supreme Court Committee on County District Courts and the Administrative Office of the Courts is still in use. This form has been approved by the Supreme Court and is entitled "Statement for Docketing."

The form is to be used by the Clerks of the Special Civil Part upon the depletion of their present supply of forms. It is to be reproduced locally by the Clerks and shall be prepared by them whenever a Judgment Creditor requests it so as to docket a judgment in the Superior Court.

EDITOR'S NOTE

The name of the former Supreme Court Committee on County District Courts has been added because it was that committee which developed the docketing form.

References to the former "county district court" have been changed to "Special Civil Part" in the directive. In paragraph 2, the words "either" and "County or" have been deleted because docketing is only available in Superior Court.

Although the Special Civil Part is within the Law Division of the Superior Court, *R. 4:41* does not apply to its Judgments unless a statement for docketing is filed with the Clerk of the Superior Court.
