Annual Transmittal of State W-2 Forms (DR 1093)

Instructions

The DR 1093 Annual Transmittal of State W-2 Forms should be filed in January for withholding taxes reported on W-2s for the prior calendar year.

If you are filing an amended return you are required to mark the amended Return box. A separate amended return must be filed for each year. The amended return must show the tax column as corrected, not merely the difference(s). The amended return will replace the original return in its entirety.

Most entities are required to file an Annual Withholding Transmittal. Attach this form to the total withholding statements (W-2s) that were furnished to each payee.

- If you use the electronic method for filing your W-2s (Revenue Online, www.Colorado.gov/RevenueOnline) submit this form if an amount appears on 3A or 3B. Mail this form to the address shown below.
- If you file paper W-2 statements, you must always attach this form before submitting documents.

Due Date

- **Active (Open) Accounts** – This form must be postmarked on or before the last day in January following the end of the year in which withholdings were made.
- **Inactive (Closed) Accounts** – This form must be postmarked within thirty (30) days of the business closure. Should either due date fall on a weekend or holiday, it will be extended to the next business day.
