Waiver of Insurance Coverage

Medical- Notice of Special Enrollment Period

If you are declining enrollment for yourself or your dependent(s) (including your spouse) because of other health insurance coverage, you may be able to enroll yourself or your dependent(s) in this plan in the future, provided that you request enrollment within 30 days of the termination date of your prior coverage. If you decline enrollment for yourself or your dependent(s) because of other health insurance coverage, you must complete the section titled ***"Other Health Insurance"*** on the Election Form to preserve your future enrollment rights.

If you decline coverage for yourself or a dependent(s) because of other health coverage and do not complete the ***"Other Health Insurance"*** section on the Election Form (or provide written proof from the other plan), or do not request enrollment in within 30 days after your (and/or) dependents' other coverage ends, you will not be eligible to enroll yourself or your dependent(s) during the enrollment period discussed above. You will then need to wait until the next open enrollment period (if applicable) to enroll in the plan's health coverage.

If you are currently declining coverage for you or your dependent(s), you can enroll yourself and/or your dependent(s) at a later date in accordance with the following special enrollment provisions:

- **You and/or your dependent(s) are no longer eligible under your spouse's coverage:**
  - because your spouse's employment or his/her group had been terminated;
  - you are divorced from your spouse; or
  - due to the death of your spouse.

- **You are no longer eligible under your parent's coverage.**

- **You and/or your dependent(s) have coverage through another group but later become ineligible for coverage through the group (including COBRA participants).**

- **Your group health plan may also allow employees who are already enrolled for coverage to add dependents upon marriage, birth, adoption, and placement for adoption.**

Please contact your Group Administrator for more detailed information on your group's Special Enrollment Provisions.

Non-Medical

If you are voluntarily declining the non-medical coverage provided by your employer, you may choose to enroll at a later date depending upon the availability of coverage, which is now being waived. Please be aware that late enrollment may cause an increase in cost and require a health questionnaire which may delay the effective date of your coverage.
