## Instructions for Employer's Quarterly Report for Out-of-State Taxable Wages

This form is used by employers to report employees who first received **out-of-state taxable wages** who worked and received wages from the same employer in Florida during the reporting quarter. **This form must be submitted with the completed first page (containing items 1-9) of your Employer's Quarterly Report (RT-6).** Also, if an employee customarily performs services on a continuing basis in more than one state, this form should not be used. Instead, you should contact the Department's Account Management process at 850-717-6628 to request a reciprocal coverage agreement.

**Line 10** – Enter each employee's social security number (NINE digits – Do not suppress the leading zeros). Every employee, regardless of age, is required to have a social security number (SSN). If the employee's SSN is not included, no credit will be given for previously reported taxable wages, and the first (up to) \$7,000 of wages on this quarterly report will be taxed at your reemployment tax rate.

**Line 11** – Enter each employee's last name, first name, and middle initial.

**Line 12a** – Enter each employee's **Florida** gross wages paid for the quarter as defined in Line 2 of the *RT-6 Instructions* (RT-6N). Gross wages should not include wage items specifically exempt per section (s.) 443.1217(2)(b)-(g), Florida Statutes (F.S.). (If no Florida gross wages were paid, but out-of-state wages were, DO NOT include the employee.)

**Line 12b** – Enter each employee's **Florida taxable wages** paid for the quarter.

**Line 12c** – Enter each employee's **out-of-state taxable wages paid year-to-date** including current reporting quarter, if applicable. Line 12c must include 100% of out-of-state taxable wages, including this quarter, paid for the calendar year.

**Line 13a** – Enter the total **Florida** gross wages for this page. All wages from this page and any attached pages must be included in Line 2 on the front of the RT-6.

**Line 13b** – Enter the total **Florida taxable wages** for this page. All wages from this page and any attached pages must be included in Line 4 on the front of the RT-6.

**Line 13c** – Enter the total **out-of-state taxable wages paid year-to-date** for this page.

Social security numbers are used by the Florida Department of Revenue as unique identifiers for the administration of Florida's taxes. SSNs obtained for tax administration purposes are confidential under sections 213.053 and 119.071, Florida Statutes, and not subject to disclosure as public records. Collection of your SSN is authorized under state and federal law.
