

State of Idaho
Department of Water Resources

INSTRUCTIONS FOR APPLYING FOR RENEWAL OF A WELL DRILLING COMPANY LICENSE

Renewal of a Well Drilling Company License requires:

- 1) Form 238-2, Application for Renewal of a Well Drilling Company License. Form 238-2 is available on our web page as a fill-in PDF.
- 2) Appropriate fee for each licensed driller and operator
- 3) A new bond, form 238-4 or form 238-5, or bond continuation certificate form 238-6
- 4) Continuing Education Summary and supporting documentation

The Conditions and Procedures for use of Start Card Drilling Permits are included with the renewal application. Please read the procedure, sign the acknowledgement page, and return the acknowledgement page with the renewal application.

The completed documents and appropriate fee must be received by the State Office of the Department of Water Resources **no later than March 15** to assure drillers and operators licensed under your company remain valid without interruption. Incomplete and late applications will be processed as time allows. Send the completed forms and fee to:

Driller Licensing
Department of Water Resources
322 East Front Street
PO Box 83720,
Boise ID 83720-0098

FORM 238-2, Application for Renewal of a Well Drilling Company License

The Application for Renewal of a Well Drilling Company License Form 238-2 must be signed by the Principal Driller named in the application. The Principal Driller is an Idaho licensed driller in responsible charge of the company's drilling activities.

FEE

A fee of **\$100 per driller** and **\$15.00 per operator** identified on form 238-2 must be submitted with the application.

BONDING

All bonds must be completed and signed by the bonding agent on forms provided by the Department of Water Resources. It is the Principal Driller's responsibility to provide the bonding company with the appropriate Department form. Surety Bond Continuation Certificate form 238-6, Surety Bond form 238-4, and Cash Bond Pledge form 238-5 are available on our web site:

http://www.idwr.idaho.gov/WaterManagement/WellInformation/DrillerLicensing/dl_default.htm at.

CONTINUING EDUCATION CREDITS

Each licensed driller and operator must submit a separate CEU summary. Make as many copies of the form as necessary. The courses you are claiming for continuing education credits must be listed on the summary. The completed summary and copies of attendance certification must be submitted with the drilling company's license renewal application.

If your license has expired you may not drill in Idaho until all requirements for renewal have been met and you have received your license card and certificate or other verification from the Department that your license is valid.
