## AFFIDAVIT OF ASSEMBLY AND OWNERSHIP FOR AUTOMOBILE / TRUCK / TRAVEL TRAILER

### PURPOSE / USE OF AFFIDAVIT

This affidavit is to be utilized in applying for an Oklahoma certificate of title for a vehicle that has been constructed from major components (normally displaying vehicle identification/serial numbers) taken from two (2) or more separate vehicles, or from a combination of new major components (identified by Manufacturers Statements of Origin) and used components taken from an existing vehicle.

- Replacement of a motor or transmission alone does **not** constitute using this Affidavit.
- Utilize Form **761MC** in applying for title to a motorcycle/trike.

### DOCUMENTARY REQUIREMENTS FOR VEHICLES AND TRAVEL TRAILERS

Original receipts bills of sale and/or invoices should be supplied for **all used numbered components** such as frames, bodies, cabs, front/rear clips, transmissions and engines.

**New numbered components** should have original Manufacturer's Statements of Origin (M.S.O.'s), which should be properly assigned to the individual building the vehicle.

### FOR ASSEMBLY OF A KIT:

**Both** the Manufacturer's Statement of Origin (M.S.O.) and invoice issued at time of purchase must be submitted with this form. The invoice will aid in determining the content of the kit (frame, etc). The applicant is to provide either an assigned title OR a separate notarized bill of sale for the donor vehicle (vehicle which is used for parts only) if the frame, engine and transmission are not listed on the invoice as part of the kit.
