Each Surety Bond described above is payable to the Groundwater Protection Fund, and shall be kept in the custody of the State of Missouri until successful completion of the conditions of this obligation, and shall be forfeitable by the State of Missouri, acting through the Well Installation Board, if the conditions of this obligation are not met.

The condition of this obligation is such, that whereas the above-named obligator will be a permitted contractor for the drilling of water, heat pump or monitoring wells or for the installation of pumps and that the obligator will undertake operations and complete plugging in accordance with the statutes, the rules, regulations and orders of the Well Installation Board, and that this bond is subject to forfeiture pursuant to the statutes and regulations for failure to so comply.

Now, therefore, if the obligator shall comply with all of the provisions of the laws of this State, the rules, regulations and orders of the Missouri Well Construction Rules, including the proper construction, proper plugging and filing with the Department all required forms, this obligation is void; otherwise, the same shall be and remain in full force and effect. This obligation may be canceled by said Surety by giving thirty (30) days notice in writing of its intention to do so to said Obligee; and provided further, that nothing herein shall affect any rights or liabilities which shall have accrued under this bond prior to the date of termination; and the said Surety shall be relieved of any further liability under this bond thirty (30) days after receipt of said notice by the said Obligee.
