

Business Income Tax Payment Voucher

Note: This payment voucher replaces both Form 20CD and Form 20E for submitting estimated and automatic extension tax payments. This voucher should accompany any payment less than \$750 submitted for Form 20C, Form 20C-C, Form 20S, or Form PTE-C income tax returns.

DO NOT SUBMIT FORM BIT-V IF A PAYMENT IS NOT DUE OR IF THE PAYMENT WAS REMITTED ELECTRONICALLY.

WHO MUST FILE. Taxpayers owing a payment of less than \$750 for income taxes due on a Form 20C, Form 20C-C, Form 20S, or Form PTE-C tax return must complete a Form BIT-V and submit it and the required payment with the tax return – unless the payment is made electronically. A Form BIT-V must also be prepared and submitted with any corporate income tax estimated tax payment or any corporate income tax automatic extension payment. A Form BIT-V is required whenever making estimated tax payments or automatic extension payments for a Form PTE-C tax return. A Form BIT-V is never required whenever the taxpayer is making an electronic payment.

WHEN TO FILE. A Form BIT-V and full payment of any tax owed is due by the original due date of the Form 20C, Form 20C-C, Form 20S, or Form PTE-C tax return. Estimated income tax payments for calendar year corporations are due by the fifteenth day of April, June, September, and December. Estimated income tax payments for fiscal year corporations are due by the fifteenth day of the fourth, sixth, ninth, and twelfth months of the fiscal year. An extension granted to file an annual income tax return is not an extension to pay the income tax – full payment of any tax owed is due by the original due date of the income tax return. Late payment of any income tax payment will result in the assessment of applicable interest and penalties.
