

Bringing your pet to the United Kingdom from outside the European Community

This form is for you to declare your pet to Customs and to claim any duty and VAT free reliefs that may apply when you return to or transfer your normal home to the EC. Please complete all sections below and overleaf. The reliefs and some of the terms used on this form are explained in Customs Notice 3 "Bringing your belongings and Private Motor Vehicle into the United Kingdom from outside the European Community".

If you are a temporary visitor, see section 4 of Notice 3.

Important note. The import of live animals is restricted to protect health and the environment. Live animals must therefore normally be imported under authority of a licence. For further details and contact numbers for advice, see our Notice 1 "A Customs guide for travellers entering the UK".

If you want copies of these notices, or more information, ask our National Advice Service (Tel: 0845 010 9000 or +44 208 929 0152 for international callers). You **must** declare your other unaccompanied personal belongings on Form C3 (if permanently imported).

RABIES A pet is tame, but rabies is a killer ! Don't even think of smuggling an animal into the UK - it could be carrying rabies. The penalties are very severe because the consequences could be disastrous.
