**Instructions for Completing Form CD 9600:
Confidential Application for Child Development Services and Certification of Eligibility**

Form CD 9600 (or documentation containing the same information) must be completed and signed by the parent and an agency representative before the child enters the child development program. Families must notify the agency within 5 calendar days of any change in my family income, family size, or reason for needing child development services. If such changes occur, agency staff must update the certification. Notification of changes are not required for part-day state preschool or severely handicapped programs. All certification forms and documentation must be maintained in the family file.

Social Security Number (SSN) Collection Consent

Form CD 9600A, the Child Care Data Collection/Privacy Notice and Consent Form, must be completed and signed by all heads of households in all CDE- funded programs. If the head of household gives consent to use their SSN, the SSN should be inserted on the CD 9600. If the head of household does not give consent, leave the SSN space blank on the CD 9600. In "family of one" situations the SSN will not be collected; therefore, completion of the CD 9600A is not required. When completed, attach the CD 9600A to the CD 9600.

*** The social security number is to be listed only for heads of households who have given consent on form CD 9600A. In all cases, a CD 9600A must be completed and signed by the head of household and attached to the CD 9600. In "family of one" situations, no SSN is required and no CD 9600A will be completed.**

Agency Name: Insert the name of the agency providing or funding child care services in this space.

Family Identification/Case Number: This is an optional field and can be used if the agency assigns an identification or case number to each family.

Initial Subsidized Service Date: This is the earliest month and year that the child(ren), as listed on this CD 9600, first started receiving subsidized child care services from your agency. **Every CD 9600 must have a month and year entered in this field.** This information is for data reporting purposes. If there is a break of three months or more, enter the month child care resumed. If there is a break of less than three months (vacation, for example), enter the original date assistance began, not the date it resumed.

Type of Application: Check the box after "Initial" if this is the first application taken by the agency named on this CD 9600. Check the box after "Recertification" if this is the second or later application taken by the agency listed on this CD 9600.
