## Who is authorized access?

- Only Coast Guard personnel assigned duties in one of the 8 respective areas identified above can be granted access to the system.

## How to complete the Direct Access Work-Life Management System User Account Authorization (CG-7421G)?

- The individual requiring access completes blocks 1 through 7, and signs in block 12. The HSWL Regional Manager (RM) or Work-Life Supervisor will complete block 8. Then pages 1 and 2 of CG-7421G will be sent electronically or scanned via email to the HSWL SC designated representative.
- The HSWL SC designated representative will review and approve access and then submit the signed form to PPC Topeka.
- PPC Topeka will then grant user access to the system.

## Direct Access II Functional Roles on CG-7421G

- User access to the system and approval of the Functional Roles within WIMS lies with the Regional Program Manager and HSWL SC Work-Life Division staff. For example, if you were assigned as the Family Advocacy Specialist (FAS), you would be able to see all FAP cases within the entire Coast Guard. However, you would not be able to see details for Substance Abuse, Special Needs or other program area cases. Listed below are the Functional Roles that appear on CG-7421G, and that can be granted:
  - Family Advocacy Specialist
  - Family Resource Specialist
  - Substance Abuse CDAR

- Substance Abuse SAP
  - Sexual Assault Specialist
  - Critical Incident Stress Management Specialist (CISM)
  - Employee Assistance Specialist
  - Workplace Violence & Threatening Behavior Specialist
  - Victim Witness Specialist
- An individual could have multiple Functional Roles depending on their position within the organization (e.g. Special Needs and Family Advocacy). In this example, you would have access to both Special Needs and Family Advocacy cases. If this situation arises, the individual can request both roles using one CG-7421G.
- Program Managers and HSWL Service Center Work-Life Program POCs will have access to all cases within their respective programs.
- Family Advocacy PM
  - Special Needs PM
  - Substance Abuse PM
  - Sexual Assault PM
  - Critical Incident Stress Management PM
  - Employee Assistance PM
  - Workplace Violence & Threatening Behavior PM
  - Victim Witness PM
