Instructions

Temporary deferral of certain tax credits

For tax years beginning on or after January 1, 2010, and before January 1, 2013, if the total amount of certain credits that you may use to reduce your tax or have refunded to you is greater than \$2 million, the excess over \$2 million must be deferred to, and used or refunded in, tax years beginning on or after January 1, 2013. For more information about the credit deferral, see Form CT-500, *Corporation Tax Credit Deferral*.

If you are subject to the credit deferral, you must complete all credit forms without regard to the deferral. However, the credit amount that is transferred to your tax return to be applied against your tax due or to be refunded to you may be reduced. Follow the instructions for Form CT-500 to determine the amounts to enter on your tax return.

Article 9-A S corporations that have computed a refundable special additional mortgage recording tax credit of greater than \$2 million are also subject to the deferral. Use Form CT-500 to calculate the amount of special additional mortgage recording tax refund allowed and credit amount to be deferred.

General information

You may claim as a credit against your franchise tax certain special additional mortgage recording tax you paid.

A tax credit is not allowed for the special additional mortgage recording tax paid on **residential** mortgages (defined below) recorded on or after May 1, 1987, if the real property is located in Erie County or any of the counties within the Metropolitan Commuter Transportation District (MCTD). The MCTD includes the counties of New York, Bronx, Queens, Kings, Richmond, Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk, and Westchester.

A *residential mortgage* is defined as a mortgage of real property that has been or will be principally improved by one or more structures containing a total of not more than six **residential** dwelling units, each with its own separate cooking facilities.

Article 9-A taxpayers who paid the special additional mortgage recording tax on residential mortgages in any tax year beginning before 1986 may **not** carry forward unused special additional mortgage recording tax credit relating to these residential mortgages. For tax years beginning on or after January 1, 1986, and before January 1, 1990, and tax years beginning in or after 1994, in lieu of a carryforward, these taxpayers may elect to treat the unused portion of special additional mortgage recording tax credit as an overpayment of tax to be credited or refunded. See TSB-M-94(4)C, *Refundable Special Additional Mortgage Recording Tax Article 9-A Corporations*, for more information.

For tax periods beginning in and after 1994, New York S corporations taxable under Article 9-A may apply this credit against the franchise tax, carry it forward, or treat it as an overpayment of tax as discussed above. Credit earned by the S corporation **does not flow through** to the shareholders to be claimed against their personal income tax liability.

When claiming this credit, you must add back to your entire net income the amount of the special additional mortgage recording tax used as a deduction in the computation of federal taxable income. (See TSB-M-87(7)C, *Special Additional Mortgage Recording Tax Credit Disallowed on Certain Real Property*, and TSB-M-87(10)C, *Special Additional Mortgage Recording Tax Credit Disallowed on Certain Real Property Located in Erie County*, for more information.)

For corporations filing franchise tax return Form CT-3, CT-3-A, CT-3-S, CT-32, CT-32-A, CT-32-S, CT-33, or CT-33-A, the gain or loss on the sale of real property on which the special additional mortgage recording tax credit was claimed must be increased, in the case of a gain, or decreased, in the case of a loss, when all or any portion of the credit was used in the basis for computing federal gains.
