

Form CT-941 HHE

Connecticut Reconciliation of Withholding for Household Employers

2012

General Instructions

Complete the return in blue or black ink only.

Household employers registered to withhold Connecticut income tax from their household employee wages must file one Form CT-941 HHE for the entire calendar year even if no tax is due. See **Informational Publication 2011(1), Connecticut Employer's Tax Guide, Circular CT.**

Amended returns: Use **Form CT-941X, Amended Connecticut Reconciliation of Withholding**, to amend Form CT-941 HHE.

Rounding Off to Whole Dollars: You must round off cents to the nearest whole dollar on your returns and schedules. If you do not round, the Department of Revenue Services (DRS) will disregard the cents.

Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all

amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off only the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

When to File

Form CT-941 HHE is due April 15, 2013. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

TTY, TDD, and Text Telephone users **only** may transmit inquiries anytime by calling 860-297-4911.

Line 1: Enter gross wages, for federal income tax withholding purposes, paid to all household employees during the year.

Line 2: Enter gross Connecticut wages paid during the year. **Connecticut wages** are all wages paid to employees who are residents of Connecticut, even if those wages are paid for work performed outside Connecticut by those resident employees, and wages paid to employees who are nonresidents of Connecticut if those wages are paid for work performed in Connecticut by those nonresident employees.

Line 3: Enter total Connecticut income tax withheld on wages during the year. Include any amounts overcollected and not repaid to employee(s) during calendar year 2012.

Line 4: Enter credit from your prior year Form CT-941 HHE, Line 9. However, if any portion of that amount was overwithheld from employee(s) during a prior year and not repaid to those employee(s) prior to the end of that year or prior to filing the return for that year, whichever is earlier, subtract the portion not repaid from Line 9 of your prior year Form CT-941 HHE. Enter the difference.

Line 5: Enter the sum of all payments made for the year.

Line 6: Add Line 4 and Line 5. This is your total payments and credits for the year.

Line 7: Subtract Line 6 from Line 3 and enter the difference. If Line 3 is more than Line 6, complete Line 8a and Line 8b, if necessary, then go to Line 11. If Line 6 is more than Line 3, complete Line 9 and Line 10.

Line 8: Enter penalty on Line 8a, interest on Line 8b, and the total on Line 8.

Late Payment Penalty: The penalty for paying all or a portion of the tax late is 10% of the tax paid late.

Late Filing Penalty: If no tax is due, DRS may impose a \$50 penalty for the late filing of this return.

Interest: Interest is computed on the tax paid late at the rate of 1% per month or fraction of a month.

Line 9 and Line 10: Enter the amount from Line 7 you want credited to the next year on Line 9. Enter the amount from Line 7 you want refunded on Line 10. However, if any portion of the amount on Line 7 was overwithheld from your employee(s) during calendar year 2012 and not repaid to your employee(s) prior to the end of calendar year 2012 or prior to filing the return for that year, whichever is earlier, the amount not repaid must be subtracted from the amount on Line 7. Enter the difference on Line 9 or Line 10.

If you overwithheld Connecticut income tax from your employee(s), the amount overwithheld should be reimbursed to the employee in the same calendar year the overcollection occurred.

Any Connecticut income tax overwithheld and not reimbursed in the same calendar year must be reported and paid to DRS on Form CT-941 HHE. Any overcollection not reimbursed to the employee must also be reported to the employee on federal Form W-2.

Do not reimburse any overwithheld Connecticut income tax that is the result of an incorrect withholding code claimed by an employee on Form CT-W4. The employee must file a Connecticut income tax return to receive a refund of the overwithholding.

Lines 10a through 10c: Get the refund faster by choosing direct deposit. Complete Lines 10a, 10b, and 10c to have the refund directly deposited into a checking or savings account.

Enter the nine-digit bank routing number and the bank account number in Lines 10b and 10c. The bank routing number is normally the first nine-digit number printed on the check or savings withdrawal slip. The bank account number generally follows the bank routing number. Do not include the check number as part of the account number. Bank account numbers can be up to 17 characters.
