The assignment of rights to benefits is effective only for services paid for by the Medi-Cal program. Assignment of medical rights allows the Department of Health Services to recover funds from health insurance companies or funds when the Medi-Cal program pays for medical services which should have been billed to such other health insurance coverage. Please note that in order to comply with the Federal Privacy Act (42 USC Section 552a), your Social Security number and any information you provide may be used to contact insurance companies, employers, providers of health care services, and county agencies to determine the extent of available health insurance. Under Welfare and Institutions Code, Section 14100.2, any submitted information is considered confidential and disclosed only as necessary for Medi-Cal program administration purposes.

## INFORMATION COLLECTION AND ACCESS

Sections 50761 and 50763 of Title 22, California Code of Regulations (CCR), requires recipients to report other health coverage to which they are entitled.

The information requested is necessary to make possible the recovery of health insurance or other contractual or legal entitlements as provided in Welfare and Institutions Code, Sections 10020 through 10025, 14024, 14103, and 14124.70, from persons liable thereunder.

Information concerning your health coverage is maintained by the Chief of the Recovery Branch, by authority of the Welfare and Institutions Code, Section 14011, and Title 22, California Code of Regulations, Section 50769. All information is mandatory.

Section 14023 of the Welfare and Institutions Code provides that any public assistance recipient who has any other contractual or legal entitlement to any health care service and who willfully refuses to disclose this information by withholding important information regarding other medical entitlement is guilty of a misdemeanor. Medi-Cal is the payor of last resort. Additionally, Section 50175 of Title 22 (CCR) provides for denial or discontinuance of benefits if the recipient does not cooperate in providing health insurance information.
