DMV Registration Hold Request for Review Form

INSTRUCTIONS: If there was a hold placed on your DMV vehicle registration due to unpaid toll violations, you may request a review of your dispute by completing this form (use a separate form for each license plate number). Fill in the information requested, print it out, and send it to the address above. To expedite your request, please include a copy of your current DMV registration, DMV registration renewal, and/or documentation of violations already paid directly at the DMV. Within 15 business days from submittal of this form, a letter will be sent to you with the required payment amount due from you, along with a list of all unpaid violations.

IMPORTANT: Submittal of this Request for Review Form **will not:** 1) release the current hold on your DMV vehicle registration; 2) suspend any Franchise Tax Board actions; 3) stop the process of additional violations being sent to DMV Hold and/or Collections; or 4) recall violations which have already been sent to Collections.
