INSTRUCTION FOR FORM GEN 236 (NYC VERSION) APPLICATION FOR APPROVAL OF BACKFLOW PREVENTION DEVICES

0 to 4a)	Fill in as appropriate. Be sure to include the block and lot numbers.							
5)	Be as specific as possible, e.g. "8' N of Elm Street and 12' South of Main Street"							
5a,b,c)	Fill in the number of services for the entire facility.							
5d)	This is the total of 5a,b, and c.							
5e)	Fill in the total number of buildings in the facility. All adjacent buildings under the same ownership, occupancy or operation are considered part of the facility. Distant buildings with the same water, heating or other shared, common or interconnected systems are considered part of the same facility. If you have doubts or uncertainties, feel free to elaborate at length on additional sheets.							
6)	Note Manufacturer, model & size of each device.							
7)	Indicate name, title & phone number of owner. Be sure to include the zip code and the original ink signature on both copies.							
8,a,b)	Check the appropriate spaces.							
9)	Print name of the design engineer or architect. (<i>Do not use the name of the firm in place of the P.E.'s or R.A.'s name</i>). Fill in the complete address. Include the firm name if you wish.							
	Be sure to use original ink signatures and seals on both copies.							
10)	Include NYS License number in blank. Check appropriate category.							
10a,b)	Be sure to enter all applicable phone/fax numbers.							
10c)	Enter date application is signed.							
11)	Make sure that water system pressure at point of connection is included.							
12)	Be sure to include these estimates. No blanks permitted. Use fair market value it you are working for free.							
13)	Choose one of the Degree of Hazard and list the reasons. If you decided to choose Double Check Valve Assembly (DCVA), you are required to give the proper reasons.							
14)	To be completed by Water Supplier.							

If you need additional space, use the back or attach additional sheets. If so, please indicate "Continued on back" or "See Additional Sheets" as appropriate.
