### PROPERTY SALES AND CHANGES AFTER FILING A DECLARATION OF VT HOMESTEAD

A Declaration of Vermont Homestead requires the property owner use the property as his or her principal residence on April 1. Use this form to withdraw a declaration if one of the following events occur (check one):

- Property sold on or before April 1.
- Property converted to nonresidential use on or before April 1.
- Owner of property died on or before April 1.
- Declaration submitted in error. The property is not my principal residence.
- Other. Please explain. \_\_\_\_\_

	I filed a homestead declaration for the property identified above. Because the property was not my homestead on April 1, I am hereby withdrawing that declaration.
