

MassHealth Adult Disability Supplement

Commonwealth of Massachusetts | Executive Office of Health and Human Services

Instructions for Completing the Supplement

You have indicated on your MassHealth application that you have a disability. Disability standards require that the disability has lasted or is expected to last at least 12 months. UMass Disability Evaluation Services (DES) will review your disability application for MassHealth. It is very important that you complete this Disability Supplement.

To get MassHealth based on your disability, you need to tell us about

- your medical and mental health providers. These may include doctors, psychologists, therapists, social workers, physical therapists, chiropractors, hospitals, health centers, and clinics from whom you receive or have received treatment; and
- yourself: your work history for the past 15 years, your educational background, and your daily activities.

Completing the Disability Supplement will give us this information and will help us make a quick decision.

Please read the following instructions before beginning.

- Print, or write clearly and complete the supplement to the best of your ability.
- Sign and date a Medical Release Form for each medical and mental health provider you list on the supplement.
- After you have filled out the supplement, submit it to
Disability Evaluation Services / UMASS Medical DES
P.O. Box 2796
Worcester, MA 01613-2796

DES will ask for your medical and treatment records from the providers you have listed. If you have any of your medical records, please send a copy with this form. If more information or tests are needed, a member of DES will get in touch with you. Your eligibility will be determined more quickly if all items on the supplement are filled in.

This is not an application for medical benefits. If you have not already completed a MassHealth application, you must fill one out in addition to this form. If you have any questions about how to apply, please call 1-800-841-2900 (TTY: 1-800-497-4648 for people who are deaf, hard of hearing, or speech disabled).

If you need help with this form, you can call the UMass Disability Evaluation Services (DES) Help Line at 1-888-497-9890. Fill in every section of this form. If you do not fill in every section, we may not be able to decide if you are disabled.
