12. Enter the Fax number, including area code, of the principal place of business.
13. Enter the case number (T-number) assigned to the motor carrier for intrastate for-hire operations in New York if already assigned.
14. If the company is not a new applicant, that is, if it already has a USDOT number, enter the company's USDOT number.
15. If the company has already been assigned an "MC" or "MX" identification number for Interstate FMCSA operating authority, enter the number.

19. Enter the mobile number, including area code, of the business.

21. Circle the appropriate type of carrier operation classification.
 - o *Interstate (Carrier/Shipper)* -- transportation of persons or property across State Lines, including international boundaries, or wholly within one State as part of a thorough movement that originates or terminates in another State or country.
 - o *Intrastate (Hazmat Carrier, Non-Hazmat Carrier, Shipper)* - transportation of property wholly within the boundaries of a single State.
 - o *Vehicle Registrant Only* - The company is a Vehicle Registrant Only if its base state of operations requires the company/individual to obtain a USDOT Number as a required part of its state commercial vehicle registration process AND the individual that is listed on the vehicle registration and to whom license plates are issued will never operate the CMV under its own assigned USDOT Number or Operating Authority. Two of the more common reasons to receive a USDOT Number with a "vehicle registrant only" status are illustrated in the examples below. If you select "vehicle registrant only" as the response, do not select any other responses for item 21.

Examples:

- o The company owns and registers its commercial trucks for the sole purpose of renting or leasing those trucks to Motor Carriers that will operate the trucks to transport goods.
- o The company is an owner-operator that will never operate the trucks under its own USDOT Number or Operating Authority (the company only operates under another company's USDOT Number or Operating Authority).

NOTE: If the company is a Vehicle Registrant Only, do not select additional company operations. Skip to item 30, sign, and date the form.

22. Enter the total mileage of all commercial motor vehicles in the company's operation to nearest 10,000 miles for the last calendar year.
23. Circle appropriate classification. Circle **all** that apply. If "L. Other" is circled, enter the type of operation in the space provided.
 - Authorized For Hire*—transportation for compensation as a common or contract carrier of property, owned by others, or passengers under the provisions of the FMCSA.

 - Private Passengers (Non-Business)*—a private motor carrier involved in the interstate transportation of passengers that does not otherwise meet the definition of a private motor carrier of passengers (business) (e.g., church buses).
 - Migrant*—interstate transportation, including a contract carrier, but not a common carrier of 3 or more migrant workers to or from their employment by any motor vehicle other than a passenger automobile or station wagon.

 - Federal Government*—transportation of property or passengers by a U.S. Federal Government agency.
 - State Government*—transportation of property or passengers by a U.S. State Government agency.
 - Local Government*—transportation of property or passengers by a local municipality.
 - Indian Tribe*—transportation of property or passengers by an Indian tribal government.
 - Other*—transportation of property or passengers by an operation classification not described above.
24. Circle **all** the letters of the types of cargo you usually transport. If household goods is circled and you do not have authority from this Department to operate as an intrastate motor carrier of household goods, you must file form RA51 before beginning operations. This form is available at <https://www.nysdot.gov/portal/page/portal/divisions/operating/oss/truck/registration-licensing#household> or by calling 518-457-6503. If "Other" is circled, enter the name of the commodity in the space provided.

25. Circle all types of hazardous materials (HM) you transport/ship. In the columns before the HM types, circle C for a carrier of HM and S for a shipper of HM. In the columns following the HM types, circle B if the HM is transported in bulk (over 119 gallons) and NB if the HM is transported in non-bulk (119 gallons or less). The HM types correspond to the classes and divisions listed in 49 CFR 173.2. Below are clarifications for the lettered codes:
