An application which is not complete or legible will not be processed. A notice of deficiency will be mailed to the applicant who will have twenty (20) calendar days to submit information or documents to correct the deficiency. Issuance of Permit

If the application for a permit to carry a concealed handgun is complete and all accompanying documentation is submitted, a permit will be issued to the applicant by the Nebraska State Patrol within five (5) business days after the completion of the criminal history record check, so long as the record check reveals no disqualifying information and applicant meets all of the requirements of the Act and the regulations.

A permit holder may request to pick up the replacement permit in person or it shall be mailed to the address provided on the permit application.

Permit Renewal Information

The fee for a renewal permit is \$50.00. The fee shall be paid with the application and shall be paid in cash or check made payable to the Nebraska State Patrol. When it becomes feasible, payment may also be made with debit or credit cards approved by the Nebraska State Patrol.

Permit holders wishing to renew a permit to carry a concealed handgun may do so any time within the four (4) months prior to expiration of the initial permit at any Nebraska State Patrol Troop Headquarters or office provided by the patrol for purposes of accepting such applications.

An application for renewal must be completed by permit holder affirming that the permit holder still meets all current requirements for obtaining a permit. The application must be accompanied with the appropriate fee. The permit will be renewed and reissued within five (5) business days of receipt of the application valid for a five year period from the date of expiration of the initial permit.

A current photograph will be required with the renewal application.

A permit holder letting an initial permit expire without applying for a renewal will be required to apply for another initial permit and meet all of the requirements for an initial permit.

Lost/Stolen or Damaged Permit Replacement

A permit holder whose permit is lost, stolen, or damaged shall notify the Nebraska State Patrol in writing within ten (10) days of determining that the permit is lost, stolen, or damaged. When notified of a lost, stolen, or damaged permit, the Nebraska State Patrol shall cancel the permit. The permit holder shall not carry a concealed weapon until the Nebraska State Patrol issues a replacement.

A permit holder may obtain a replacement permit by submitting a written request for a replacement. The replacement request shall require a statement about the facts and circumstances surrounding the "lost, stolen or damaged" permit. If the applicant still meets the requirements for a permit, the Nebraska State Patrol shall issue a replacement permit within five (5) working days of receiving the request. The replacement permit shall have the same expiration date as the initial or renewed permit.

A permit holder whose permit is damaged may return the damaged permit to the Nebraska State Patrol Concealed Handgun Permit Program with the permit holder's written request for a replacement permit.

The Concealed Handgun Permit Application provides the method for applying for a replacement card by indicating that the applicant is making such application in the upper right hand corner of the application. A space is being provided directly above the signature for applicant to provide statement about the facts and circumstances surrounding the "lost, stolen or damaged" permit.

If a peace officer seizes a permit as evidence of a violation for a criminal case or a revocation proceeding, the officer shall notify the Nebraska State Patrol Concealed Handgun Permit Program immediately so that the permit will not be replaced as lost or stolen upon application by the permit holder. A form for this purpose will be available on the Nebraska State Patrol web-site at <http://www.nsp.state.ne.us>.

Change of Name or Address

Permit holders who change name or address are required to notify the Nebraska State Patrol Concealed Handgun Permit Program in writing within thirty (30) days of the change in name or address.

A permit holder may obtain a replacement permit by returning the current permit to the Nebraska State Patrol Concealed Handgun Permit Program and submitting a written request for a replacement permit. The Concealed Handgun Permit Application provides the method for applying for a replacement card by indicating that the applicant is making such application in the upper right hand corner of the application. A space is being provided directly above the signature for applicant to provide statement about the facts and circumstances surrounding the "lost, stolen or damaged" permit.

If the applicant still meets the requirements for a permit, the Nebraska State Patrol shall issue a replacement permit within five (5) working days of receiving the request. The replacement permit shall have the same expiration date as the initial or renewed permit.

A permit holder may request to pick up the replacement permit in person or it shall be mailed to the address provided on the permit application.

A permit holder moving to another state shall return the permit to the Nebraska State Patrol Concealed Handgun Permit Program for cancellation.

Obligations and Responsibilities While Carrying

At all times while carrying a concealed handgun, a permit holder shall carry the concealed handgun permit; and Nebraska driver's license, Nebraska-issued state identification card, or military identification card and display it to any peace officer or emergency service personnel upon request.

Violation of this provision is a Class III misdemeanor for the first offense and a Class I misdemeanor for a second or subsequent offense.

A permit holder carrying a concealed handgun who is officially contacted by any peace officer or emergency services personnel must immediately inform the peace officer or emergency service personnel of the concealed handgun unless physically unable to do so.

A peace officer or emergency service personnel making contact with the permit holder may determine that securing the handgun is necessary for the safety of any person present. If requested, the permit holder must immediately surrender or secure the handgun for safekeeping as ordered by the peace officer or emergency service personnel until a determination has been made that there is no concern for safety and that the permit holder will not be detained for law violations or medical treatment. If the permit holder is transported for treatment by emergency service personnel, the handgun is to be turned over to a peace officer as soon as it is feasible to do so. The peace officer will provide the permit holder with a receipt for the handgun which will include make, model, caliber, and serial number.

A permit holder shall not carry a concealed handgun while consuming alcohol or while there is any previously consumed alcohol or controlled substance as defined in Nebraska Revised Statutes § 28-401 of the statutes in his or her blood, urine, or breath unless the controlled substance was lawfully obtained and taken in therapeutically prescribed amounts.

A permit holder must continue to meet all of these requirements for issuance of a permit during the time he or she holds a permit.

A permit holder no longer meeting the requirements for a permit is required to return the permit to the Nebraska State Patrol for cancellation. A permit holder who fails to return the permit is subject to the formal revocation process described in Section 012 of the regulations

If a permit holder dies or becomes disabled, relatives or other responsible parties are requested to return the permit to the Nebraska State Patrol for cancellation. Permits can not be transferred to another person. No fees will be refunded for permits which are cancelled or revoked.

Reporting Injuries and Damage Caused By Firearm of Permit Holder

Any injury to a person or damage to property resulting from the discharge of a handgun carried by a permit holder must be reported by the permit holder to the Nebraska State Patrol within ten (10) days of the incident. The form for making such a report will be available on the Nebraska State Patrol website at <http://www.nsp.state.ne.us/> and can be downloaded for use in complying with this requirement. The report will not be required for minor property damage of minimal significance – see the definitions of property damage found in Section 002.11 of the regulations. A report is required for malicious damage inflicted with a handgun.

Denials

If applicant does not meet the qualifications, the applicant will be notified by mail by the Nebraska State Patrol indicating the reason for denying issuance of the permit.

Nebraska State Patrol will wait a period of ten (10) days to allow time for applicant to resolve the disqualification. Should the applicant not resolve the disqualification, the permit application fee will be refunded to the applicant less the current charge for the required state and federal criminal history record checks.

Rights of Persons Denied Concealed Handgun Permit

An individual denied a permit may petition for an administrative hearing under the Administrative Procedures Act.

Within ten (10) working days of receipt of the letter of denial, persons denied a permit by the Nebraska State Patrol may file a request for an administrative due process hearing to review the decision to deny the permit. A request shall be considered timely filed if placed in the United States mail with sufficient postage, properly addressed to the Nebraska State Patrol, Concealed Handgun Permit Program, PO Box 94907, Lincoln, Nebraska 68509 within fourteen (14) working days of the mailing of the letter of denial to the applicant by the Nebraska State Patrol.

If a hearing is requested, it shall be held pursuant to the Nebraska Administrative Procedures Act and the Nebraska State Patrol Rules and Regulations pertaining to administrative hearings (Title 272 - Chapter 1). The petitioner (applicant) must specify through pleadings or at a prehearing conference what aspect of the decision is being challenged.

The scope of the hearing shall include a review of the accuracy of the information used in making the decision to deny a permit. The State Patrol has the burden of going forward with evidence to show why the permit application was denied. A decision shall be made by the Superintendent within fifteen (15) working days of the hearing.

Appeals from the Superintendent's decision shall be filed in the District Court of either the county in which the applicant resides or the county in which the applicant applied for a permit in accordance with the procedures set forth in the Nebraska Administrative Procedures Act.

No hearing will be afforded those failing to successfully complete an approved training program. Any disagreement with the training program should be addressed with the director of the training program. If there is reason to believe that the training program is not following the training guidelines or is misapplying the law, such allegations should be brought to the attention of the Superintendent of the Nebraska State Patrol.

Concealed Handgun Permit Revocation

Any peace officer having probable cause to believe that a permit holder is no longer in compliance with any of the requirements for a permit found in Section 005 of the regulations shall bring an application for revocation of the permit to the County Attorney in the county in which the permit holder resides.

This action is to be prosecuted as a civil case by either the County Attorney or by the Attorney General in the event the County Attorney refuses or is unable to pursue the prosecution. Persons prosecuted under this provision are subject to revocation of their permit, an administrative fine of up to one thousand dollars (\$1,000) and the costs of prosecution.

Reapplication After Denial or Revocation

A new application for a permit to carry a concealed handgun will automatically be denied if received from an individual who has previously been denied a permit or whose permit has been revoked, unless the disqualification has been remedied. The individual has the burden to document that the disqualification has been removed.
