

Dear Customer,

If you have a serious medical condition, please print a copy of this form and contact us at 1-866-DOM-HELP (1-866-366-4357) in order to apply a 10-day extension to your active account.

Individuals with a serious medical condition may require administration of specialized treatments and may be dependent on medical technology such as ventilators, dialysis machines, enteral or parenteral nutrition support, or continuous oxygen.

To extend the note, have your doctor complete and return the Serious Medical Condition Certification Form to us within 10 days. We will notify you when the completed form is received and if you are eligible for the medical program. If your medical condition changes, please call us toll-free at 1-866-DOM-HELP (1-866-366-4357).

If severe weather causes extensive damage, restoration of service may take several days. Because we cannot guarantee uninterrupted electrical service, we urge you to have an alternate care plan or maintain a battery-powered backup.

Upon our receipt of your approved Serious Medical Condition Certification Form (Form SMCC (10/2011) within the 10-day time period, you will have the right to delay termination of service for 30 calendar days. You may delay termination twice within a 12-month period, as long as the medical form is active on your account.

To report an outage, please call us toll-free at 1-866-DOM-HELP (1-866-366-4357). To avoid holding on the line for a representative, say "power outage" when the Interactive Voice Response system answers; your outage will be reported to the appropriate local office. To speak with a representative about your outage say, "I'd like to report an issue" when prompted.

A medical note on an account does not release a customer from bill payments, nor does it eliminate the possibility of eventual cut-off for nonpayment. We realize that severe medical conditions can place a strain on your budget. If you experience financial hardship, please call us to work out a payment arrangement.

Sincerely,

Dominion Virginia/North Carolina Power
