What is the Disabled Veterans' Standard Homestead Exemption (DVSHE)?

The Disabled Veterans' Standard Homestead Exemption (35 ILCS 200/15-169) provides an annual reduction in the equalized assessed value (EAV) of a primary residence occupied by a disabled veteran on January 1 of the assessment year. The DVSHE amount depends on the percentage of the service-connected disability as certified by the U.S. Department of Veterans' Affairs. A disabled veteran with at least a 75% service-connected disability will receive a \$5,000 reduction in property's EAV. A disabled veteran with at least 50%, but less than 75% service-connected disability will receive a \$2,500 reduction in property's EAV.

Who is eligible?

To qualify for the DVSHE, the disabled veteran must

- be an Illinois resident who served as a member of the U.S. Armed Forces on active duty or state active duty, Illinois National Guard, or U.S. Reserve Forces, and not dishonorably discharged.
• have at least a 50% service-connected disability certified by the U.S. Department of Veterans' Affairs; and
• own and occupy the property as the primary residence on January 1 of the assessment year or lease and occupy a single family residence on January 1 of the assessment year and be liable for the payment of the property taxes to the county.
Note: The property's total EAV must be less than \$250,000 after subtracting any portion used for commercial purposes. "Commercial purposes" include any portion of the property rented for more than 6 months.

Is a surviving spouse eligible?

An un-remarried surviving spouse of a disabled veteran can continue to receive the DVSHE on his or her spouse's primary residence or transfer the DVSHE to another primary residence after the disabled veteran's original primary residence is sold, provided the DVSHE had previously been granted to the disabled veteran.

An un-remarried surviving spouse must occupy and hold legal or beneficial title to the primary residence on January 1 of the assessment year.

Form PTAX-342, Application for Disabled Veterans' Standard Homestead Exemption, must be submitted if you are an un-remarried surviving spouse of a disabled veteran applying for the first time or transferring the DVSHE. You must also provide the disabled veteran's marriage and death certificates and proof of ownership.

Do I need to provide documentation?

The CCAO may request documentation to verify your eligibility. Documentation may include a disability award or verification letter from

the U.S. Department of Veterans' Affairs for the current assessment year with one of the following documents that is the original or a copy certified by the county recorder, recorder of deed's, Illinois Department of Veterans' Affairs, or the National Archives Record Center.

- Form DD 214 or separation of service from the War Department (military service prior to 1950); or
• Certification of Military Service Form.

When will I receive my exemption?

The year you apply for the DVSHE is referred to as the assessment year. The County Board of Review, while in session for the assessment year, has the final authority to grant your DVSHE. If granted, your DVSHE will be applied to the property tax bill paid the year following the assessment year.
