**Docket Number:**  
**(For DHCR use only)**

**Petition by Owner for High Income Rent Deregulation  
 2014 Filing Period**

This petition may be filed **only** when the owner has previously served the tenant with an Income Certification Form (DHCR Form RA-93CF) on or before May 1 of the year in which this petition is being filed **and** 1) the tenant has failed to return the Income Certification Form, or 2) the tenant has returned the Income Certification Form and the owner disputes the total annual income stated by the tenant, or 3) the tenant has returned the Income Certification Form and concedes therein that the total annual income exceeded \$200,000.00 in each of the two preceding calendar years. If any of these conditions are met, the owner may petition the Division of Housing and Community Renewal (DHCR) for a determination that the housing accommodation identified below qualifies for high income rent deregulation, which exempt from rent regulation housing accommodations having a "legal regulated rent" (rent stabilized) or "maximum rent" (rent controlled) of \$2,500.00 or more per month and which are occupied by persons who have a total annual income in excess of \$200,000.00 in each of the two preceding calendar years. Total annual income does not include the annual incomes of bona fide employees of occupants residing in the housing accommodation in connection with such employment or the annual incomes of bona fide subtenants in occupancy pursuant to Section 226-b of the Real Property Law. Owners may petition on this form for a determination of whether the housing accommodation identified below qualifies for deregulation based upon the above criteria. If the housing accommodation is found to qualify for exemption after DHCR's processing of this petition, DHCR will issue an order deregulating the housing accommodation. An original and one copy of this petition must be filed with DHCR **no later than June 30th** of each year. A petition that is filed late will be dismissed.

**An owner receiving J-51 or 421-a tax benefits is ineligible to file for High Income Rent Deregulation until after such benefits expire.**
