Any balance may be carried forward for up to five years from the end of the calendar year in which the investment voucher for the affordable housing project was originally issued, or the original voucher date. To claim the credit, the holder must attach a completed Form RPD-41301, *Affordable Housing Tax Credit Claim Form*, to the return in which you wish to apply the credit on or before the due date of the return. You may apply this credit when you file your return online. Sign into Taxpayer Access Point (TAP) at <https://tap.state.nm.us>, and follow the prompts to attach this form. To mail in, attach this form to the tax return and mail to the address on the return. For assistance completing this form, call (505) 827-0792 or email BusinessCredit.Mgr@state.nm.us.

AFFORDABLE HOUSING TAX CREDIT CLAIM FORM

About This Credit:

The Mortgage Finance Authority (MFA) may issue investment vouchers to persons who have invested in approved affordable housing projects. MFA may issue an investment voucher to a person who has made an investment of land, buildings, materials, cash, or services for an affordable housing project approved by MFA or for a trust fund administered by MFA. The vouchers, good for up to 50% of the investment, may be sold or transferred. Affordable housing projects cover land acquisition, construction, materials, building acquisition, remodeling, improvement, rehabilitation, conversion, or weatherization for single family residential housing or multifamily residential housing approved by MFA. After receiving the investment vouchers from MFA, the taxpayer may apply them for a credit against the taxpayer's modified combined tax liabilities, personal income tax, or corporate income tax liabilities, and the taxpayer may carry unused credit forward for five years.

NOTE: Effective July 1, 2010, this law is expanded to include all counties, and adds materials to the list of eligible investments.

Transfers:

The credit may also be sold, exchanged, or otherwise transferred to another holder. When an investment voucher is transferred in whole or in part to a new holder, New Mexico Taxation and Revenue Department and MFA must be notified within 10 days of the transfer by submitting a completed *Affordable Housing Tax Credit Transfer Form* to MFA. The *Affordable Housing Tax Credit Transfer Form* may be obtained from MFA. The new holder will be notified of approval of the transfer and issued a new investment voucher number. The transfer form will identify the new holder, the new voucher number, and the transfer amount, but will also identify the original voucher date. The original voucher date is the date the original investment voucher was issued for the affordable housing project. Upon receipt of the approved transfer form, the new holder may apply the affordable housing tax credit against future returns, but may not carry forward any credit for more than 5 years from the calendar year in which the original investment voucher was issued.

For example, if an affordable housing project was approved and later certified by MFA, and the resulting original investment voucher was issued to holder Z on January 15, 2006, Z may not claim the affordable housing tax credit for any unused balance of the investment voucher after December 31, 2011. If all or a portion of the investment voucher balance is subsequently transferred to holder X, X may not claim the tax credit for the transferred balance after December 31, 2011. The original voucher date for the original investment voucher issued to Z and the transfer investment voucher issued to X is January 15, 2006.

“Modified combined tax liability” means the total liability for the report period for gross receipts tax less any local option gross receipts tax due (5.125% of taxable gross receipts), compensating and withholding taxes, interstate telecommunications gross receipts tax, E911 surcharges, and telecommunications relay surcharges, minus any credit (other than the affordable housing tax credit) applied against these taxes. Modified combined tax liability does not include amounts collected for local option gross receipts taxes and governmental gross receipts taxes.

How To Apply For The Credit:

Taxpayers seeking the affordable housing tax credit must contact the New Mexico Mortgage Finance Authority (505-843-6880
