

**STATE OF TENNESSEE
DEPARTMENT OF REVENUE
VEHICLE SERVICES DIVISION**

Government Service Vehicle Registration Application

As provided by Tenn. Code Ann. § 55-4-223, vehicles owned by

- the United States government, the State of Tennessee or any of its political subdivisions,
- private or volunteer fire departments,
- senior citizen service centers that meet the standards set by the Commission on Aging for eligibility to receive state funds,
- human resource agencies and development districts,
- community actions agencies

are eligible to be registered with government service vehicle registration plates.

Vehicles contracted or leased by an applicant, but not owned by the applicant, are not eligible to be registered with government service vehicle registration plates.

Vehicles registered with government service plates must be operated exclusively for essential government purposes or exclusively for fire protection purposes. Qualified senior citizen service centers, human resource agencies, development districts, and community action agencies may register vans owned by the organization. These vans must be used exclusively for the activities the organization. Independent contractors operating a local transit company may also qualify for government plates under certain conditions per Tenn. Code Ann. § 55-4-223(c)1.
