Supply orders are due to AAA Central Penn by the end of the school year

A bulk order is then placed to AAA National in Florida. Supplies usually arrive at our office in August and are collated and sent out in early September.

If there is a dire need for certain supplies, please make a note on this order form.

Unfortunately, we may not be able to accommodate additional requests for supplies in the fall months after the order to AAA National has been placed.

The life expectancy of the belts and badges is 2-3 years (with proper care). AAA Central Penn reserves the right to charge for repeated large orders of supplies.
