The Georgia Department of Community Affairs (“DCA”) offers two programs for low and moderate income home buyers. The Georgia Dream First Mortgage Program offers low interest mortgage loans that are funded from bonds issued by the Georgia Housing and Finance Authority (“GHFA”). The Georgia Dream Second Mortgage Program offers a loan for a portion of your down payment, closing costs and prepaid expenses. GHFA is a public corporation and instrumentality of the State of Georgia whose funding is administered by DCA. In administering GHFA funds, DCA acts on behalf of GHFA with respect to any loan you might receive under the Program. Federal law, State law, GHFA's regulations, and DCA's regulations impose a number of requirements upon recipients of these loans. In this document, “Program” means the Georgia Dream First Mortgage Program and/or the Georgia Dream Second Mortgage Program, as applicable.

The Georgia Dream Second Mortgage Program is not a grant. It is a Loan. No payments are due until you (1) sell or transfer your home, (2) refinance your first mortgage, or (3) if, you no longer occupy your home as your principal residence. No interest is charged while you have the Georgia Dream Second Mortgage Loan.

**PROGRAM REQUIREMENTS**

1. Your household income must be within the DCA income limits. If your loan application is approved, at the loan closing you will be required to certify that your household income remains within the DCA income limits. If your income changes before loan closing and exceeds the DCA income limits, you will be disqualified from the Program(s) and you will not be entitled to receive a mortgage loan through DCA's Program(s).

Household Annual Income includes, but is not limited to the list below. Your lender can describe the exclusions from household income.

- a) full amount, before any payroll deductions, of wages and salaries, overtime, commissions, fees, tips, bonuses and other compensation for personal services (including raises expected to take effect prior to closing);
- b) net income from operation of a business or profession;
- c) income from trusts, investments, interest, dividends, royalties, net rental income and other net income from real or personal property;
- d) periodic payments from Social Security (including that received on behalf of children), annuities, insurance policies, retirement funds, pensions, disability or death benefits and other similar types of periodic payments;
- e) payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay;
- f) Welfare Assistance, where payments include amounts specifically designated for shelter and utilities; periodic and determinable allowances such as alimony and child support, and regular contributions or gifts received from organizations or persons not residing in the dwelling;
- g) all housing allowances and similar allowances which are not reimbursement for job-related expenses;
- h) all regular and special pay, and allowances of members of the Armed Forces (whether or not living in the dwelling) who are the head of the family or spouse;
- i) relocation payments; undocumented non-payroll deposits to bank accounts, extrapolated to an annualized amount;
- j) earnings up to \$480 annually for each full-time student 18 years or older (excluding the head of household and spouse); and
- k) adoption assistance payments up to \$480 annually per adopted child.

2. If you have owned or had an ownership interest in a principal residence within the last 3 years, you are not eligible for DCA's Programs, unless you qualify for specific exceptions that your lender can describe. You will be required to provide copies of your federal tax returns for the last 3 years and information about the location and type of your residence during the last 3 years, unless you qualify for these exceptions.
3. You will be required to certify that you intend to use the house for which you are applying for a loan as your principal place of residence. The First Mortgage loan cannot be used to finance the cost of additional land, rental property, a second home, or the expenses of a trade or business.
4. By signing this form you acknowledge and agree that the information and/or documentation submitted in connection with the DCA Programs may be subject to public disclosure.
5. The maximum purchase price of the house you are intending to buy under these Programs is restricted by law and by Program regulations.
6. Your personal assets must be modest. You must be creditworthy as determined by your lender, DCA, FHA, VA, USDA/RD, the pool insurer, and/or the private mortgage insurer, as applicable.
7. The First Mortgage loan, and in some cases the Second Mortgage loan, that you are applying for will be financed with the proceeds of certain tax-exempt bonds issued by GHFA pursuant to certain state laws and federal income tax laws. Because you are receiving a mortgage loan(s) from the proceeds of a tax-exempt bond, you are receiving the benefit of a lower interest rate than is customarily charged on other mortgage loans. If you sell or otherwise dispose of your home during the 9 years after loan closing, this benefit may be "recaptured." The recapture is accomplished by an increase in your federal income tax for the year in which you sell or otherwise dispose of your home. The recapture applies only if you sell your home at a gain and if your income increases above specified levels. The recapture tax will not apply in certain circumstances, which are explained in the Notice to Purchaser of Potential Recapture Tax on Sale of Home (Form SF-50) that you will receive at closing. Form SF-50 also contains more detailed information about the calculation of any recapture tax.
8. In the event that you receive a loan(s) under these Programs and it is subsequently discovered that you made a false statement, misrepresentation or misstatement, you may be required to make an immediate and full repayment of the loan(s) and you may also be subject to criminal prosecution.
9. **DUE ON SALE CONSENT.** If you receive a DCA loan, it is likely that when you sell your home the new purchaser will have to obtain new financing. (Land contracts are prohibited.) Your mortgage provides that you cannot sell your home to a person ineligible for assistance from DCA, unless you pay your loan in full. If you sell your home to a party ineligible for DCA's assistance and do not pay-off your loan in full, DCA may demand immediate and full repayment of the loan. This could result in foreclosure of your mortgage and repossession of the property. In addition, if you rent the property or committed fraud or intentionally misrepresented yourself when you applied for the loan, the lender may foreclose your mortgage and repossess the property. If the lender takes your home through foreclosure of the mortgage because of these reasons, the mortgage insurer (HUD, VA, USDA/RD, pool insurer or a private insurer) will not be able to help you.

If the money received from the foreclosure sale is not enough to pay the remaining balance you owe on the loan, DCA may obtain a deficiency judgment against you (a court ruling that you must pay whatever money is still owed on the loan after the foreclosure sale). Such judgment will be taken over by the insuring agency if DCA files an insurance claim against that agency because of the foreclosure. DCA or the insurer may bring an action against you to collect the judgment.

If you cease to use the residence as your principal residence for a period in excess of 12 months, no deduction will be allowed for mortgage interest accruing after the first day in such period in the calculation of your federal income taxes.

You may avoid such action by paying your loan in full when you sell your home, not renting your home, by occupying the property as your principal residence, by complying with all your agreements contained in this Form and by making certain that any person who assumes your loan meets the necessary qualifications established by DCA.

In order for a purchaser to be eligible to assume your DCA loan (1) the purchaser must meet income requirements, (2) the purchaser must not have held an ownership interest in a principal residence during the prior 3 years, unless the property is located within a "Targeted Area" or otherwise exempt from this requirement under federal law, (3) the purchaser must intend the home to be his or her principal residence, and (4) the sales price allowed to be paid to you must meet the purchase price requirements. Regarding the sales price restriction, the Internal Revenue Service requires that all homes are subject to the maximum sales price permitted for an "existing" home at the time of loan assumption even though the home may have been financed as "new" at the time you closed your loan.

Therefore, having read and understood the above, each of the undersigned being duly sworn, deposes and says under oath and seal, I (we) certify that :
